Builders Club Meeting today, Wednesday, November 7th from 3:30 to 4:30 in the back room of the library.

The library has new displays for the month of November. Please come in and check them out. Also, please keep in mind there are still too many overdue books that need to be returned to the library. And although we appreciate students returning books, I have had to repair 13 books just since Monday. These books are on loan to students and they are to be treated with respect and returned just the way they left the library. Thank you.

Do you have a Veteran in your family?? Would you like to honor them this Veteran's Day? The following are some things that you can do.
