During December and January, the character trait of the month is Respect. Respect is thinking and acting in a way that shows that you care about the feelings and well-being of others and yourself. Demonstrating respect looks like speaking kindly to others because you care about their feelings, not interfering with other people's right to look, think or act differently than you, and making positive choices that show that you care enough about yourself that you don't do things that you know can hurt you.
