Questions for discussion:

1. In general, how successful was the lesson? Did the students learn what you intended for them to learn? How do you know?

2. If you have samples of student work, what do they reveal about the students' levels of engagement and understanding? Do they suggest modifications in how you might teach this lesson in the future?

3. Comment on your classroom procedures, student conduct, and your use of physical space. To what extent did these contribute to student learning?

4. Did you depart from your plan? If so, how and why?
5. Comment on different aspects of your instructional delivery (e.g., activities, grouping of students, materials, and resources). To what extent were they effective?
6. If you had an opportunity to teach this lesson again to the same group of students, what would you do differently?
