John Petersen was awarded a scholarship to attend Washington Leadership Conference in D.C. this summer! He will spend the week under the guidance of professionals, counselors and FFA staff. He will focus on identifying and developing his personal strengths and goals while undergoing comprehensive leadership training that will help him guide our local FFA chapter. The capstone of the event will be a civic engagement activity where participants apply what they have learned to a hands-on activity. John will also have an opportunity to participate in congressional visits during the week. Congratulations John!

Good luck to Sidney Peterson and Daniel DeSersa, who will be at the ProStart Culinary Arts competition on Monday, March 16 and Tuesday, March 17 in Mitchell.

Jillian Sutton was also a recipient of an honorable mention for her performance on the Math-Con online test. Great job, Jillian!
