On Saturday, November 2nd the Sturgis Kiwanis Food Pantry will be sponsoring the annual Food Drive that is essential to the functioning of the Food Pantry here in Sturgis and Meade County. Food collected with this drive will be essential to the functioning of this food source for the upcoming months. It's important to know that this drive assures the availability of food on our pantry shelves. We need your help to assure our success. We need runners and drivers to help in the Grocery pick up effort. This is actually a fun thing to do especially if you do it with a couple of your friends. It only takes a little over an hour and the job is done. You will feel great knowing you have done a service to people in your community. Here is what to do: Show up at the Catholic Church Hall at 9:45 am Saturday Bring a friend or two and a driver and we'll give you a map and send you on a route within Sturgis city. We will have free coupons for fast food for youth workers too!

Starting this week, you will now be charged a fine for your library books if they are more than 7 days overdue. The fine will be \$.05 per day. Please start being responsible for your library books...the library is super accessible, so you can return or renew your books easily!

Chamber's Crypt Haunted House

We have \$1 off coupons for the Chamber's Haunted House that will be held October 25th, 26th, 30th, and 31st in the basement of the Sturgis Armory admission \$5
