CERTIFICATED TEACHER AND ADMINISTRATOR POSITIONS

All certificated teacher and administrator positions in the school district will be created initially by the Board. Although such positions may remain temporarily unfilled, only the Board may abolish a position it has created.

Each time a new certificated teacher or administrator position is established by the Board, the superintendent will present for the Board's approval a job description for the position, which specifies the jobholder's qualifications and the job's performance responsibilities.

The superintendent will maintain a comprehensive set of job descriptions for all positions and will present proposed revisions of existing job descriptions to the Board for approval.

LEGAL REFS.: SDCL 13-43-16

Note: Job descriptions for certificated teacher and administrator positions are available for review in the office of the superintendent.
