Summer Reading and Writing Skills Program for students entering 6th – 8th grade

In these effective and enjoyable programs, your son or daughter will make substantial gains in comprehension, learn to read twice as fast, and become a better writer. Students learn the best way to take notes, study for test, and read fiction, non-fiction, and textbooks.

Students learn effective techniques that will improve their writing skills and build their confidence as writers. Your student will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

For more information or to register call 1-800-903-0623. There is also more information in the office.
