During December and January, the character trait of the month is Respect. Respect is thinking and acting in a way that shows that you care about the feelings and well-being of others and yourself. Demonstrating respect looks like speaking kindly to others because you care about their feelings, not interfering with other people's right to look, think or act differently than you, and making positive choices that show that you care enough about yourself that you don't do things that you know can hurt you.

Student Council News:

November 29th-December 7th- Gather your pennies, nickels, dimes, and quarters it is time for a SWMS penny war. The proceeds from this fundraiser will be used to buy Angel Tree gifts for children in our community

The rules:

1. We will be competing by grade level. (There may be a grade level prize up for grabs 😊)
2. Coins count toward your grade level's total.
3. Paper money is used as sabotage to other grade levels because they subtract from your total.
4. Student Council members will come around first hour to collect money. Grade level buckets will be kept in the office if you would have money to add after the first hour collection.

Stay tuned to the announcements about the upcoming door decorating competition, and ugly sweater contest. Thank you, Student Council
