Stagebarn Middle School will be rewarding students with no failing grades in the 3rd quarter by holding a grade level dance during the school day on Friday, March 22nd. Students will attend the dance during their study hall period, where we will have a DJ and the concession stand will be open. This dance is informal and does NOT require “dates” or special attire. This dance will be provided for students that passed ALL classes in the 3rd quarter. Those that do not attend the dance will participate in a study hall as they normally would.
