Re: Union Center Elementary School  
Project No. 2757

Dear Brett:

Architecture Incorporated is pleased to present this proposal to provide additional Mechanical and Electrical services for the design of a natural gas generator and additional Civil Engineering services for the design of a new septic system which includes obtaining approval from the required local and state governing authorities.

For these services we request an increase in compensation as follows:

Mechanical and Electrical Engineering (Skyline):	\$ 7,000
Civil Engineering (Renner):	\$ 5,500
-----	
Total Amendment No. 1:	\$12,500

If you find this proposal acceptable, please sign both copies of the enclosed Amendment No. 1. Retain one copy for your records and return the other copy to our office. Please do not hesitate to call me if you have any questions.

Sincerely,

  
Steve Jastram, AIA  
President
