As a parade participant, I agree that my parade entry will abide by the following rules & guidelines:

1. The participants will not throw candy, food or other items from the float which may endanger others by causing them to enter the street to retrieve items.
2. The participants will not spray water on others.
3. The participants will make sure all animals are at the end of the parade or on a float so that animal droppings will not come in contact with any food or candy.
4. The participants are required to pick up all garbage that comes from their float.
5. Participants are asked not to drive by Sturgis Elementary after the parade.

I understand that if I violate any of the stipulations, then I will not be allowed to participate in the Homecoming parade next year.
