**Joke:** Why did the boy throw the clock out the window?

**Interesting Fact:** Kleenex tissues were originally intended for gas masks

When there was a cotton shortage during World War I, Kimberly-Clark developed a thin, flat cotton substitute that the army tried to use as a filter in gas masks. The war ended before scientists perfected the material for gas masks, so the company **redeveloped** it to be smoother and softer, then marketed Kleenex as facial tissue instead.

**It is recommended all students change their computer password.**
