We are so excited to see so many students riding their bikes to school, however please **PARK** your bikes in the bike rack. We are asking that **students not park their bikes next to the rail entering the gym on the west side** (side facing 7th grade football practice field). The cafeteria staff transport things from the elementary and back their van up on that sidewalk. For the safety of everyone and the bikes we are asking that you not park your bike on this rail. P.S. We are working on getting more bike racks.

"This school year, we will be celebrating and discussing a Character Trait of the Month at the beginning of each month. Each Character Trait of the Month will help teachers select a "Student of the Month" to be honored at an assembly at the end of each month.

September's Character Trait is SPORTSMANSHIP - Good sportsmanship is when teammates, opponents, coaches, and officials treat each other with respect. Individuals demonstrating SPORTSMANSHIP encourage teammates and classmates, follow directions, avoid arguing and play fair."
