Dear Third and Fourth Grade Parents,

I am excited to let you know that we will be starting WIN (What I Need) Time this coming week. This will occur Monday through Thursday from 8:20-8:50 a.m. through the Spring of the year. We have utilized the data from the NWEA assessment which all students complete three times a year. Students are intermixed based on their English/Language Arts needs for a given concept. We will focus on a different concept every two weeks and the grouping of students and the instructor will change based on the student data for that specific concept. Our goal during this time is to instruct students at their instructional level and fill any potential holes in their learning. If you have any questions, please contact me.
