Today is Patriot Day

President Trump's proclamation: On Patriot Day, we honor the memories of the nearly 3,000 precious lives we lost on September 11, 2001, and of every hero who has given their life since that day to protect our safety and our freedom. We come together, today, to recall this timeless truth: When America is united, no force on Earth can break us apart. Our values endure; our people thrive; our Nation prevails; and the memory of our loved ones never fades.

Great job bike riders for not parking your bikes on the rail entering the gym, however we still have a few people parking bikes on this railing. Remember this is for the safety of everyone and the bikes.

Sports Announcements: Remember individuals demonstrating SPORTSMANSHIP encourage teammates and classmates, follow directions, avoid arguing and play fair."
