April 13, 2020

Dear Parents/Guardians,

I hope you all had a well deserved and restful Easter break. Teachers are working very hard to provide a balance for those parents that are overwhelmed with their own occupation and putting time aside to help monitor their students' work. Teachers are also finding opportunities for parents that are looking for more resources and activities. Resources and activities have been put together on the Sturgis Elementary Facebook page. You can access this site at <http://www.meade.k12.sd.us/index.php/sturgis-elementary/>

[Meade School District :: Sturgis Elementary](#)

Welcome to Sturgis Elementary School. Sturgis Elementary school tour video presented by the 2018-19 Student Council.. Sturgis Elementary has dedicated teachers and support staff who work to ensure that all students receive the best education. The Meade District is emphasizing www.meade.k12.sd.us

. If you don't have access to Internet or a device, please make the classroom teacher aware. We can provide substitute activities that don't involve the Internet if necessary. We understand and are here to support you in any way we can. If you are having difficulty, please feel free to contact the building administration. Our contact information is at the bottom of this email.

On a weekly basis, teachers will be asking for a snapshot of a couple student completed assignments. We don't want to add another item to your already full plates, however this will allow them to gauge the students' understanding and to assess what additional support individual students may need. This can be as simple as taking a picture of the assignment and sending it to the teacher.

Due to the holiday break, lunches will be served on Tuesday and Thursday of this week. Sacks include two lunches and two breakfast items. Routes and continued updates and information can be found at the Meade Website: www.meade.k12.sd.us .

Have a great week!
Chantal Ligtenberg
