Criminal History Record Information (CHRI), Criminal Justice Information Services (CJIS), Local Agency Security Officer (LASO), Noncriminal Agency Coordinator (NAC), Point of Contact (POC)

Policy Statement

In accordance with law and to protect the district's students, criminal background checks on persons who are employed in the district, who volunteer, or are employed by an entity which provides the District direct or indirect student services shall be required. The criminal background investigation shall be done by means of fingerprint checks by the Division of Criminal Investigation. The district and district employees will comply with state and federal law, rules, procedures and policies regarding the receipt, use and dissemination of criminal history record information of any individual.

Designations

1. The Payroll representative is responsible for signing the SD Division of Criminal Investigation (SDDCI) User Agreement on behalf of the District.
2. The Payroll representative shall be the District's Point of Contact (POC) and Noncriminal Agency Coordinator (NAC) to act as the primary contact person for the District. They shall serve as the liaison between the District and SD Division of Criminal Investigation, and will fulfill all responsibilities of the POC/NAC. The representative is responsible for notifying SDDCI when a new employee starts or an employee leaves so SDDCI can keep CJIS Security training records current.
3. The Business Manager is designated to be the Local Agency Security Officer (LASO) to act as liaison with SDDCI to ensure the agency is in compliance with security procedures. The LASO shall actively represent the District in all matters pertaining to information security, dissemination of information security alerts and other material within the District, and responsible for contacting SDDCI if there has been misuse of CHRI.

Criminal Background Checks

1. The school district requires completed fingerprint cards and the Division of Criminal Investigation report before the prospective new employee or volunteer enters into service. The superintendent can authorize temporary employment before the background check is complete, if the employee is not in a position directly supervising students. Temporary employment will not exceed ten (10) days.
2. Any person hired to officiate, judge, adjudicate, or referee a public event sponsored by a school district is not required to submit to a criminal background investigation.
3. A District employee who is employed simultaneously with another school district is only required to obtain one criminal background investigation, if the background investigation was conducted less than one year before the person was first employed by the District and that entity is willing to share the background results.
4. Employees of or applicants for employment with a contractor that does business with the district where the employee works on school property will have to submit to a criminal background check. The superintendent will decide if the process the contractor uses to obtain criminal history on their employees is acceptable to the District. The contractor shall be responsible for the cost of the criminal background check. If the contractor wants to be able to see the criminal history or discuss the history with the superintendent, they must be trained by the SDDCI through the same process as the District employees who handle the CHRIs.

5. No person may be employed by the District, either directly or by a contract provider, and who would have direct student responsibilities or services, if the person has been convicted of a crime of violence (murder, manslaughter, rape, aggravated assault, riot, robbery, burglary in the first degree, arson, kidnapping, felony sexual contact, felony child abuse, or any other felony in the commission of which the perpetrator used force, or was armed with a dangerous weapon, or used any explosive or destructive device), sex crimes (including but are not limited to, rape, felony sexual contact with a minor under sixteen, sexual contact with a person incapable of consenting, possessing, manufacturing, or distributing child pornography, and sexual exploitation of a minor), or distribution or trafficking in narcotics.
 - a. The District may also refuse to employ a person who has been convicted of a crime involving moral turpitude. "Moral turpitude" is defined "an act done contrary to justice, honesty, principle, or good morals, as well as an act of baseness, vileness, or depravity in the private and social duties which a person owes to his fellow man or to society in general.
 - b. The District may consider any criminal conviction in making a hiring decision. The District has the sole and absolute discretion to determine whether the results of a criminal background investigation disqualify a person from employment within the District.
 - c. For purposes of this policy, the term conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere (no contest) in this state or any other state.
6. If the applicant believes the criminal background result is incorrect or incomplete in any respect and the applicant wishes changes, corrections or updating of the alleged deficiency, the applicant should contact the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306.
7. Should an applicant be disqualified from employment due to the results of a criminal background check, the District shall inform the applicant that the criminal background check results prohibit the District from employing the person. The District will not delay the employment hiring decision solely because the applicant seeks to correct his or her FBI criminal history record information (CHRI).
8. All employees, while employed with the District must notify the district in writing if they are convicted of any offense of domestic violence, child abuse, sex offense, drug (including marijuana) or any felony offense. This notification must be made no later than five business days after the event.
9. The District reserves the right to require any employee or volunteer to submit to additional criminal background checks at the district's expense. The district reserves the right to require any employee of an entity which provides the District director indirect student services to submit to additional criminal background checks which shall be at the entity's or person's expense.
10. As required by state law, SDCL 13-10-15, if, as the result of a criminal conviction the school board suspends an employee without pay, or an employee resigns, or an employee is terminated, the superintendent shall within ten days of the date of the suspension or the date the employment is severed report the circumstances and the name of the employee to the S.D. Department of Education.
