Are you above the line???

Think about your hardest class or subject. How do you see it? How do you feel about it? How do you act when you're in that class or working on that subject? What results are you getting there?

How can you see this class or subject differently to get better results?

During the 2018-19 school year, Junior Achievement (JA) of South Dakota is continuing their partnership with schools across the state to work with and help educate students about money, careers, owning a business, and ethics!

JA of South Dakota is celebrating their 50th anniversary this school year. JA continues to provide the platform for students to have the knowledge and skills to succeed. JA strives to empower students to achieve their dreams, and give them the hope for a better future. Together, our teachers and JA volunteers are preparing our future leaders!

This year, more than 2,200 JA classroom volunteers committed to teaching JA programs that will impact over 55,000 South Dakota students. By sharing their personal and professional experiences, JA volunteers guide students to make the connection between what they are learning in school and how it applies to their future. JA also helps grow their skills so they can become great employees and business owners throughout their careers.

Please extend a special thank you to the volunteers and teachers listed below who participated in JA during the 2018-19 school year. If you would be interested in sharing your knowledge and business experience with students in our community, or would like to sponsor a student for \$25, please contact the JA office at (605)336-7318 or jasd@ja.org.
