Inspirational Quote:

Joke: What happened to the Easter bunny at school?

May ---> “The final Character Trait of the month this year is SELF-CONTROL. Having self-control is having control over one’s own impulses or emotions and stopping to think before acting. Self-Control looks like having the ability to resist initial impulses in order to achieve more important goals, such as learning or being kind. You can demonstrate self-control by making good decisions, keeping your cool when frustrated or raising your hand instead of blurting out answers.”
