## **Welcome**

Welcome to the 2018-19 school year at Sturgis Brown High School. As you embark upon a new school year, we hope that you will establish high expectations for yourself that will be reflected in your academic achievement, your co-curricular involvement and your positive contributions to your school community.

No matter where you go or what you do, you will find certain regulations to guide you. Naturally, there are rules and regulations at Sturgis Brown High School. They are meant for your benefit and those of your classmates. This handbook has been developed to inform students about their school. This handbook is not meant to be an “all inclusive” manual. Common sense and “doing the right thing” always take precedence and are staples of everyday living.

Your conduct should reflect respect; respect for yourself, for your parents and for your school. You should show respect for the property, rights and privileges of others, just as you expect and appreciate this respect when others show it to you. Good behavior can help make your school life a successful and rewarding one. Take pride in your school. We want you to be proud of your school and your fellow students, and we want others to be proud of them. Each of you has a responsibility for the school’s reputation. Be supportive of all activities at our school, either as an active participant or as an enthusiastic observer.

We encourage you to get involved and contribute positively to your classes and activities. Give 100% effort in everything you do and the rewards you seek will become reality. We wish you all a very successful school year.

### **Mascot – Scooper Sam Colors – Black, Red and White**

### **Scooper History**

The history of “Scooptown” was derived from the nickname given to Sturgis by the cavalymen stationed at nearby Fort Meade in the late 1800’s. Cavalymen, who claimed their money was “scooped” out of their pockets every payday by the merchants of Sturgis, began referring to Sturgis as “Scooptown.” Merchants didn’t mind the nickname and claimed that the cavalymen spent so much money in Sturgis that it could be literally “scooped” from the streets. The term stuck and “Scoopers” was later adopted by Sturgis High School as its official team name.

## SCHEDULE

Sturgis Brown High School operates on a modified schedule using 4x4 blocks and traditional 48-minute periods, which means that students may have between four and seven classes per term. All students will be assigned to a lunch and study hall.

As a rule, changes in class schedules will be limited to the first week of a new semester. Changes made during this time may be made only with the consent of the counseling department, administration and parents. ## **HALLWAY TRAFFIC AND PASSES**

To be excused from class, a student must get permission from the teacher and have a valid pass with them.

## **SCHOOL GUIDELINES**

*The following information is a general standard that should be used as a guide by all students. The administration retains the right and privilege to make decisions and changes that are considered necessary.*

It should be noted that not all guidelines and procedures enforced at Sturgis Brown High School are found in this handbook. The handbook is a fluid document, reviewed periodically and as needed to meet the needs of the school community. The administration and Board reserve the right to make changes as necessary for the continued safety and success of all students attending Sturgis Brown High School. This handbook provides the prevalent guidelines that occur more frequently than others. Common sense will naturally dictate for matters which arise and are not found in this handbook. It should also be noted that all handbook and school rules apply to all school-sponsored events, even those activities occurring off campus. Students should read the information and student policies of this handbook and maintain in a convenient location for reference throughout the school year or bookmark to view electronically.

### **BACKPACKS**

Backpacks are allowed in the classroom and students must follow teacher's classroom expectations regarding backpacks.

### **CHANGE IN PERSONAL DATA**

It is the student's responsibility to notify the office of changes in address, telephone number, guardian's name, or other personal data so that all records remain current.

### **COMPLAINTS**

If a concern arises regarding a school issue, parents are encouraged to first address the issue with the staff member directly involved. If the matter is not resolved at that level, contact the building administrator or program director for further review. After trying these options and if the issue is not resolved, the formal complaint procedure should be followed. Information regarding public complaints with student, teacher, or the classroom is listed in the School Board Policy KL. For information regarding the formal complaint policy and procedure, please contact the principal's office at 347-2686 or visit our website at [www.meade.k12.sd.us](http://www.meade.k12.sd.us)

### **ELECTRONIC DEVICES**

Electronic devices may be used in class at the discretion of the teacher. This policy applies to students in the hallway during instruction time. Students are allowed to use cell phones between classes and during their assigned lunch period. Students are not allowed to use any electronic devices in the locker room or restroom facilities. Failure to follow these guidelines may result in the phone being confiscated by district faculty and/or staff and taken to the office. ## **SCHOOLREACH COMMUNICATIONS & SCHOOL CLOSING**

In our efforts to improve communications between parents and school, Sturgis Brown High School utilizes a telephone broadcast system called School Reach which enables school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. The service may also be used from time to time to communicate general announcements or reminders. Parents and students are urged to tune to local radio or TV stations for information regarding school cancellations, early dismissals or other adjustments due to weather or other emergencies. School Reach communications will be used by the school district to make school closing announcements. Announcements will be made on the following stations: Radio: KBHB, KRCS, KTOQ, KIMM, KGGG, KFXS, KOUT, KKLS, KMKK, KDDX, KZZI, and KDSJ. Television: KOTA, KEVN, KNBN, KELO. Cancellations are also posted on the district website, [www.meade.k12.sd.us](http://www.meade.k12.sd.us); click on the Parent/Community link, and then “School Cancellations.” Parents are responsible for making alternate arrangements for their children in the event that school is closed early and/or if buses cannot return the children home.

## **SCHOOL DANCES**

All school dances will be properly advertised in the announcements as to their start time. Doors close one hour after the start of the dance, except for Prom, when a specific door closure time will be announced. Chaperones for the dances may include staff members and parents. Only current Sturgis Brown High School students will be allowed into the Homecoming dance. The Snowball dance and Prom will have individual rules addressing attendance by out-of-district students, as well as dress code expectations. All school rules apply to dances held at a school facility. Prom rules include:

- All student guests must be under the age of 21 to participate in Prom.
- No freshmen from any school will be allowed to participate in Prom.

- All guests participating in Prom must bring a photo ID to be allowed into Prom.
- Any senior who graduates early is not eligible to attend Prom unless asked by a current junior or senior of SBHS.

### **VISITORS**

SBHS will not allow any student visitors during the school day without their parent or guardian present with them.

### **YEARBOOK**

Yearbooks can be picked up in August during Freshmen orientation and the Activities meeting. Graduates may pick up their books during the open house or stop by room 155 before school, during lunches or after school. Any senior wishing to submit a professional photo needs to provide one wallet-sized photograph to the journalism staff by December 1, 2018. If a picture is not provided by a student, the staff will use a file photo. If any student's school photograph is accidentally omitted from the yearbook, the student may bring his/her purchased yearbook to room 155 to receive a full refund upon returning the yearbook. With the cooperation of the student body, the Mato Paha staff tries very hard to get all students pictured in the yearbook.

### **Meade School Board Policy File JFCJ:**

“Students are prohibited from bringing dangerous and/or illegal weapons to school or school-sponsored activities. Appropriate disciplinary and/or legal action shall be pursued by the building principal. A dangerous and/or deadly weapon is defined as any firearm, knife or device, instrument, material, or substance, whether animate or inanimate, which is calculated or designed to inflict death or serious bodily harm, or any object which can reasonably be considered to be a weapon. Look-alike weapons, which are items that resemble or appear to be weapons, also are prohibited. No firearms are permitted on any school premises, in a school vehicle or any vehicle used for school purposes, or in any school building or other building or premises used for school functions. Exceptions would include weapons under the control of law enforcement personnel, starting guns while in use at athletic events, supervised school training sessions for the use of firearms, weapons used in educational demonstrations, ceremonial presence of unloaded weapons used at color guard ceremonies and look-alike weapons in an approved school performance. A student who has intentionally brought a weapon onto school premises may be expelled by the Board for a period of twelve months after appropriate due process procedures have been followed. The Superintendent may modify a weapon-related expulsion on a case-by-case basis.” *Minimum 5-day out-of-school suspension and the school will perform a threat assessment, In-School Suspension, Out-of-School Suspension, Report to Authorities, Expulsion*

## **STUDENT TRANSPORTATION ON SCHOOL TRIPS**

**Meade School Board Policy File JHFE\*:** “The following constitutes the arrangements of the Meade School District concerning the transportation of students to and from extra-curricular school activities and school functions:

1. In most instances, the District shall provide transportation to the students for all trips of more than ten (10) miles one way from the attendance center. This shall apply to all school functions where the attendance of the student is required, as well as extra-curricular activities. In most cases, the District will pay the cost of transportation, but in some cases, a student may be assessed a transportation fee. A student must travel on the school provided bus or van both ways. School personnel may release students to ride with the custodial parent, legal guardian, or other persons authorized by the parent and school with written request.
2. In case of school activities or school functions which are less than ten (10) miles one way from the attendance center, the District will generally provide transportation, provided the entire class is being transported. If less than the entire class is being transported, or in the case of extra-curricular off-campus home events, the students may be asked to provide their own transportation or be transported by District personnel or in private vehicles driven by a licensed and insured adult.
3. No student may ride with another student to or from a school function or activity during the school day, unless the students are siblings.”

### **Bus Regulations**

Riding the school bus is a privilege, not a right. If students abuse the privilege of riding the bus, they may be removed from the bus route and it will be the parent’s responsibility to get their child to and from school. The primary responsibility of the bus driver is to provide a safe trip to and from school.

1. Bus drivers are an extension of the school system and have the same authority as other school officials when supervising students on the bus.
2. Behavior on the bus that takes away from the bus driver’s ability to concentrate on safely driving the bus will not be tolerated.
3. Absolutely no tobacco, e-cigarettes, alcohol or other controlled substances, including paraphernalia are permitted on the bus.
4. Students are asked to assist the bus driver in keeping the interior of the bus clean.
5. The camera system on the bus is designed for the bus company and the school administration to monitor activity and student behavior on the bus. The video will be used when assessing disciplinary action. The viewing of the video is not accessible to parents.
6. In the event of a bus accident, the bus accident protocol can be found on the district website.

School board policies JFCC: Student Conduct on School Buses, JG: Student Discipline and JFCG/JFCH/JFCI Comprehensive Drug Prevention Policy can be found on the district website.

**The use and/or** possession of mood-altering chemicals such as alcohol, tobacco, drugs, or drug paraphernalia by participants of extra-curricular activities in grades 9-12 are prohibited. This prohibition shall be in force all year, including the summer months, weekends and holidays. Training rule consequences will begin after any school suspension. Involvement in a law-breaking activity, other than a minor traffic violation, may result in suspension from any activities in which the student is a participant.

**SDCL 26-11-5.1** Provision for notice to school officials and parent or guardian by law enforcement agency where student suspected of violating state drug or alcohol laws or of threatening violence. Notwithstanding any other provision of law, a law enforcement agency may provide notice of an incident within its jurisdiction to public or nonpublic school officials and to the parent or guardian of a school student if the incident is one in which the agency has probable cause to believe the school student has violated any provision of state law involving alcohol, illegal drugs, firearms, or bomb threats, or has made any threat of violence relating to any school or its students, employees, or property. However, if there is a prolonged criminal investigation and revealing information would jeopardize a successful conclusion to the case, the law enforcement agency may provide the notice at some later appropriate time. The notice shall be in writing.

### **Consequences of Violations for Tobacco and Alcohol**

#### **First Violation:**

The individual will be suspended for 10 school days of scheduled extra-curricular activities to include a minimum of two (2) contests in the activity in session or the next activity of participation (whichever is greatest) or the individual can perform ten (10) hours of community service that is approved by the administration and the suspension will be shortened to 5 school days of scheduled extra-curricular activities to include a minimum of one (1) contest in the activity in session or the next activity of participation. The suspension will occur when competition begins, not when practice begins. The participant must complete the entire season in the activity in which the suspension is scheduled, or complete the entire season of a subsequent activity if the suspension is to be served during that activity. \*All community service hours must be completed prior to being reinstated for participation. Parents/Guardians and the student will be notified either by letter, in-person, or both. A conference may be scheduled between the participant, his/her parent/guardian, coach or advisor, and the activities director before future participation occurs.

#### **Second Violation:**

The individual will be suspended for 20 school days of scheduled extra-curricular activities to include a minimum of four contests in the activity in session or the next activity of participation (whichever is greatest) or the individual can perform twenty-five (25) hours of community service that is approved by the administration and the suspension will be shortened to 10 school days of scheduled extra-curricular activities to include a minimum of two (2) contests in the activity in session or the next activity of participation. The suspension will occur when competition begins, not when practice begins. The participant must complete the entire season in the activity in which suspension is scheduled, or complete the entire season of a subsequent activity if the suspension is to be served during that activity. \*All community service hours must be completed prior to being reinstated for participation. Parents/Guardians and the

student will be notified either by letter, in-person, or both. A conference may be scheduled between the participant, his/her parent/guardian, coach or advisor, and the activities director before future participation occurs.

**Third Violation:**

After confirmation of a third violation, the student shall lose eligibility for one year from the date of notification of his/her third training rule violation. The one year suspension may be reduced to sixty (60) school days, but must include a minimum six (6) contests in the activity in session or the next activity of participation (whichever is greatest), if the person participates in an assessment with a certified chemical dependency counselor or completes an accredited intensive prevention or treatment program. The counseling will be at the expense of the student and/or parent/guardian.

**Fourth Violation:**

After confirmation of the fourth violation, the student shall automatically lose eligibility for one (1) year from the date of notification by letter or conference. For any subsequent training rule violations (5th, 6th ...) the student shall automatically lose eligibility for one (1) year from the date of notification by letter or conference.

Only law enforcement, school officials or parents of the accused can bring training rule violation allegations, or admission by the individual(s) themselves, but the administration and/or School Resource Officer (SRO) reserves the right to investigate any training rule violation based on information received from outside law enforcement agencies and/or other outside sources if a signed document (outside source other than outside law enforcement agencies) is submitted to the administration concerning the allegations. After a proper investigation, a decision to suspend or not to suspend will be decided by the school administration. Any obligation to fulfill a penalty for a violation that is not fulfilled in the current school year will be carried over to the following school year. The Training Rules Committee shall make the decision on any situations that may involve a penalty. The committee shall consist of the activities director, two (2) head coaches, one (1) assistant coach, and the principal of the high school/middle school. The student will be provided due process as per district grievance policy.

Beginning with the 2015-2016 school year, all **Alcohol, Tobacco and Suspensions Due to Conduct and Other Circumstances** will be cumulative in nature and the total number of violations will be based on high school years only – grades 9-12 (see violations above). Any violations for controlled substances and marijuana (SDCL 13-32-9 and 13-32-9.2 will be handled separately due to the Meade School District deviation from the SDCL and not be cumulative in nature with Alcohol, Tobacco and Suspensions Due to Conduct and Other Circumstances.

\*For every one (1) calendar year that an individual does not have a training violation – one (1) training rule violation will be removed from their record

## **Consequences of Violations for Controlled Substances and Marijuana**

This consequence governs a participant adjudicated or convicted of possessing, selling, or using controlled substances or marijuana. It shall also govern a participant caught or observed possessing, selling or using controlled substances who has not been charged, adjudicated or convicted. These consequences of violations for controlled substances and marijuana is a deviation from SDCL 13-32-9 and 13-32-9.2 that went into effect July 1, 2014.

Any person adjudicated, convicted, the subject of an informal adjustment or court-approved juvenile diversion program, or the subject of a suspended imposition of sentence or suspended adjudication of delinquency for possession, use, or distribution of controlled drugs or substances or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substances as prohibited by 22-42-15, is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education for (1) one calendar year from the date of adjudication, conviction, diversion or suspended imposition of sentence. The one (1) year suspension may be reduced to thirty (30) school days and a minimum of two (2) scheduled contests in the activity in session or the next activity of participation if the person participates in an assessment with a certified chemical dependency counselor or licensed addiction counselor. If the assessment indicates the need for a higher level of care, the student is required to complete the prescribed program before becoming eligible to participate in extracurricular activities. Upon a second adjudication, conviction, diversion, or suspended imposition of a sentence for possession, use, or distribution of controlled drugs, substances or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substance as prohibited by 22-42-15, by a court of competent jurisdiction, that person is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education for one (1) year from the date of adjudication, conviction, diversion, or suspended imposition of sentence. The one (1) year may be reduced to sixty (60) school days and a minimum of six (6) scheduled contests in the activity in session or the next activity of participation if the person completes an accredited intensive prevention or treatment program. To count toward the minimum number of events the student must participate in the entire activity season and may not drop out or quit the activity to avoid suspension and the failure of a student to complete the entire activity season shall result in the student being ineligible for one year from the date of adjudication, conviction, the subject of an informal adjustment or court approved diversion program, or the subject of a suspended imposition of sentence or suspended adjudication of delinquency. A suspension that is not completed by the student during one (1) activity season shall carry over to the next activity season in which the student participates. Upon a third or subsequent adjudication, conviction, diversion, or suspended imposition of sentence for possession, use, or distribution of controlled drugs or substances or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substances as prohibited by 22-42-15, by a court of competent jurisdiction, that person is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education. Upon such a determination in any juvenile court proceeding, the Unified Judicial System shall give notice of that determination to the South Dakota High School Activities Association and the chief administrator of the school in which the person is participating in any extracurricular activity. The Unified Judicial System shall give notice to the chief administrators of secondary schools accredited by the Department of Education for any such determination in a court proceeding for any person eighteen to twenty-one years of age without regard to current status in school or involvement in extracurricular activities. The notice shall include name, date of birth, city of residence, and offense. The chief administrator shall give notice to the South Dakota High School Activities Association if any such person is participating in extracurricular activities.

Upon placement of the person in an informal adjustment or court-approved juvenile diversion program, the state's attorney who placed the person in that program shall give notice of that placement to the South Dakota High School Activities Association and chief administrator of the school in which the person is participating in any extracurricular activity.

As used in this section, the term “extracurricular activity” means any activity sanctioned by the South Dakota High School Activities Association and/or recognized by the Meade School District 46-1.

The Meade School District has adopted a deviation to the SDCL 13-32-9 and 13-32-9.2 that imposes consequences that are equal to or stricter than the consequences imposed by the State of South Dakota per SDCL 13-32-9.1.

**Definitions (based on MSD deviation from SDCL 13-32-9 and 13-32-9.2)**

**30 or 60 School Days** may begin as soon as the individual is adjudicated and participates in an assessment with a certified chemical dependency counselor or is enrolled in an accredited intensive prevention or treatment program. The individual will not be eligible until he/she successfully completes the evaluation and/or intensive prevention or treatment program.

**30 or 60 School Days** may begin as soon as the administration has received written confirmation that the individual is participating in a drug/alcohol assessment and/or is enrolled in an accredited intensive prevention or treatment program.

**Dependency Counselor** must be approved by the Meade School District 46-1 administration. Student and/or parent/guardian are responsible for all costs associated with any prevention/treatment program.

**Accredited Intensive Prevention or Treatment Program** must be approved by the Meade School District administration. Student and/or parent/guardian are responsible for all costs associated with any prevention/treatment program.

**Scheduled Extra-Curricular Activities** is defined as those activities that do not meet during the regularly scheduled school hours (SBHS course). Example: SBHS students could participate in a scheduled band/choir concert, because that is part of their regular band/choir course, but could not participate in a SDHSAA Region Large Group Contest.

**Community Service** must be approved by the administration and it is up to the individual to document and show proof of community service hours prior to participation.

### **Suspensions Due to Conduct and Other Circumstances**

Any student who is suspended from a team or from school for violation of team or school rules may not participate on another team during the same season or until suspension has been completed. Suspended students may not participate in a scheduled event but may practice with the team with the approval of the coach/sponsor and the activities director. Length of suspension for the following offenses will be determined by the administration. Some offenses carry an automatic activity probation/suspension.

Some of these violations include:

- 1.** Possession, use, being under the influence, transfer or dispensing of any alcoholic beverages (prior to adjudication).
- 2.** Use of tobacco products while on school premises or on a school-sponsored activity.
- 3.** Vandalism to school property or vandalism to any property while on a school-sponsored activity.

The Family Education Rights and Privacy Act (FERPA) gives parents and students a privacy right in the student's education records; allows for inspection and review of educational records by the parents, guardian, or student over 18 years of age; and provides for procedures by which educational records can be amended. Meade School District has adopted a policy pertaining to such rights and educational records. Such policy is contained in the Policy Handbook of Meade School District 46-1 and may be seen at the offices of the principals of all schools, the office of the superintendent located at 1230 Douglas Street, and online at [www.meade.k12.sd.us](http://www.meade.k12.sd.us). ### **ACCESSIBILITY CONTINGENCY PLAN**

In the case of an emergency, Meade School District staff will be assigned to assist disabled students to ensure that they are able to get to safety and be with their class at the appropriately assigned area. In order to facilitate participation, accommodations will be made on an individual basis. Each disability is unique; the reasonable accommodations principle should be applied on a case by case basis for both students and staff. The 504 Coordinator will work with Meade staff to coordinate who may need additional assistance in the case of an emergency. The ADA Coordinator may refer issues regarding accessibility and accommodations for students to the student services department. If further information is needed, please contact Assistant Special Services Director, 504 Coordinator, at 605-347-4770 Ext. 4 or Brett Burditt, ADA Coordinator, at 605-347-2523.

### STUDENT ACCIDENT INSURANCE/DENTAL PLAN

The School District does not assume responsibility for accidents which may occur. However, School District officials recognize the advantage of making school accident insurance available as well as school dental protection by cooperating with companies offering these services. The insurance mentioned will be offered to parents wishing coverage for students enrolled in our schools. The School District's role is only to:

1. Provide the literature
2. Make available forms for filing claims for accidents covered by the insurance. These forms are available in the District Business Office. The insurance company has the responsibility of approving all claims.

### STUDENT RECORDS

**Meade School Board Policy File JO:** The Board designates the following personally identifiable information in a student's education record as "directory information," which may be disclosed without prior written consent:

1. Name
2. Address
3. Names of parents or guardians
4. Date of birth
5. Dates of attendance
6. School attending
7. Participation in school-recognized activities
8. Weight and height of members of athletic teams
9. Grade in school
10. Individual and group photographs pertaining to school activities
11. Awards, achievements or honors

The previous list will be published in the District's legal newspaper each year, and the parent, legal guardian and/or student over 18 years of age may notify the school in writing of their refusal to permit the release of any or all of this information. Other student records will not be released without written consent and may be reviewed by a parent, legal guardian and/or student over 18 years of age. Procedures for requesting amendment of records will be developed by the administration in accordance with law. District personnel may review all material pertaining to students for educational reasons but are required to keep such information confidential.

### **IMMUNIZATION RECORDS**

SDCL 13-28-7.1 states that "...any pupil entering school or an early childhood program in this state, shall, **prior to admission**, be required to present to the appropriate school authorities certification from a licensed physician that the child has received or is in the process of receiving adequate immunization against poliomyelitis, diphtheria, pertussis, rubeola, rubella, mumps, tetanus, and varicella, according to recommendations provided by the Department of Health."

Parents of new students **must submit** appropriate documentation that their children have received the minimum immunization requirements set forth in SDCL 13-28-7.1 **before** the first day their children enter school.

### **STUDENTS WILL NOT BE ADMITTED TO SCHOOL UNTIL AND UNLESS THE SCHOOL NURSE HAS RECEIVED AND VERIFIED THE IMMUNIZATION DOCUMENTATION.**

#### **Procedures:**

1. At the time of the initial entrance of a student into Meade School District, the appropriate documentation will be required from a parent/guardian. Students who attempt to enroll without such documentation will be denied entrance until such forms are submitted.
2. The immunization documentation will be transferred to the school nurse, in an expedient manner, for verification. If the school nurse determines that the student does not have appropriate immunizations, the parents of the student will be contacted by the school nurse.
3. Parents of kindergarten students are informed of the requirements during kindergarten screening prior to school. The immunization status of all kindergarten students will be reviewed and monitored by the school nurses.
4. In cases where the certification indicates that immunizations have begun, but are not completed, new students may be admitted to school upon verification of the process by the school nurse.
5. The only exceptions for the above immunization requirements are:  
**Medical Exemption:** The physical condition of the child is such that a test or immunization would endanger life or health. The parent must provide an exemption form **SIGNED BY A DOCTOR**.  
**Religious Exemption:** Parents or guardians of the child adhere to a religious doctrine whose teachings are opposed to immunizations. The parent must sign an exemption form.

*In the case of a communicable disease outbreak, students who fall in the above two categories **MAY** be denied entrance to the schools during this time as a safety precaution for themselves and others.*

### **MEDICAL INFORMATION**

Conditions that may cause problems in school if not made known to school personnel are:

- Allergies-especially to bee stings, food, and medicine;
- Asthma-even if there is rarely an attack;
- Any heart defect;
- Physical deformities-congenital hip, etc.;
- Surgery;
- Hearing/visual problems;

- Diabetes;
- Seizures.

Each student has a health card that is used throughout his or her school year. Medical conditions are recorded on this card. A list of medical conditions is given to the physical education teachers, and the nurse informs the student's teachers of any medical problems. Please call the school nurses' office with any significant changes. All medications brought from home (including aspirin/Tylenol) to be administered at school, must have written permission with instructions from the parents and be in original labeled container. Prescription medications must be in a labeled container; parents need to have their pharmacist make an extra bottle if they know the medicine will be administered at school. Medications, with the exception of inhalers, must be kept in the school office.

Students will be excluded from school if:

- Body temperature is elevated above 100 degrees;
- Communicable disease is suspected;
- There is appearance of a skin infection;
- There is presence of pediculosis (head lice);
- Vomiting has occurred.

Parents should keep the student at home if he/she has a communicable disease (lice, pink eye, chicken pox, impetigo, etc.), has vomited in the last 12 hours or does not feel well enough to participate in school activities such as PE. A healthy body is maintained by cleanliness. Dressing for the weather will prevent excess absences. The staff would like to thank the students and parents for their cooperation in these matters. The school nurse must have phone numbers where parents can be contacted during the day in case there is an emergency at school. Alternate emergency phone numbers must be provided to the school nurse if a parent/guardian cannot be reached. Please update phone numbers with school personnel as soon as they change. Doctors will not treat minor children until a parent or guardian is reached. Feel free to call any time with questions or concerns. The school nurse may be reached at 347-2610 (nurses' office) or at 347-2686 (Sturgis Brown High School).

### **Stock Epipen Program**

The Meade School District will maintain a stock supply of epinephrine auto injectors (Epipen) pursuant to SDHB 1167 and according to the Meade School District policy.

These epinephrine auto injectors will be for use in an emergency situation of a severe allergic reaction causing anaphylaxis regardless of whether or not the student has a prescription for an epinephrine auto injector or has been diagnosed with an allergy.

School nurses and staff will be trained to recognize symptoms of severe allergic or anaphylactic reaction. An anaphylactic reaction is a progressive whole body allergic reaction that can be fatal and can occur with hypersensitivity to food, insect stings, medication or other allergens.

**ASBESTOS  
INFORMATION**

*"To Build Knowledge and Skills for Success Today and Tomorrow"*

Dear Parents and Students:

The Meade School District 46-1 completed an asbestos survey of all the school buildings in the summer of 2016. A product of the audit is a report known as the Asbestos Management Plan that documents the areas that have asbestos containing materials. This plan also provides us with the information necessary to maintain the asbestos in a safe condition until its eventual removal. The AMP is on file for review at 12940 E. Highway 34, Sturgis, SD 57785, in the Building & Grounds office.

The danger of asbestos comes from breathing in tiny fibers when the material has been damaged. When this material is maintained in good condition or encapsulated, the potential hazard diminishes and the material may be kept in place for the life of the building or until renovation will disturb it.

To avoid exposure, it is important to know what types of materials may contain asbestos, to avoid any damaged areas, and to contact the appropriate personnel when these areas are found so the problem may be immediately remedied. Common applications of asbestos in buildings have included sprayed-on fireproofing, soundproofing, or thermal insulation; acoustic plaster soundproofing or ceiling tiles, pipe insulation, cement containing asbestos called transite; and floor tile and mastic, linoleum and backing. Most buildings constructed from 1950 to 1970 contain some asbestos containing materials. It is important to realize that not all buildings contain asbestos and the Asbestos Management Plan identifies these materials and their locations within our buildings.

We are continually working to maintain the asbestos containing materials in good condition through our Operations and Maintenance Program. When any material cannot be repaired or encapsulated safely, it is then removed. All remediation is performed in strict compliance with State of South Dakota and federal regulations. Activity involving asbestos within the district during FY 2017-2018 involved the completion of the asbestos abatement for the Williams remodel project, Williams Administrative Building, and this removal was conducted by a professional contractor in compliance with state and federal regulations. The removal was updated in the district plan.

Should you have any questions or comments, or if you would like to review the AMP, please contact me by phone at 605-347-2523 or stop by the Williams Administrative Building at 1230 Douglas St., Sturgis, SD 57785.

4. **Long-Term Payment Plans:** Long-term payment plans for households struggling to pay back a negative balance will be established between school food administration and parent/guardian. Unpaid meal charges may be carried over at the end of the school year (i.e., beyond June 30) as a delinquent debt and collection efforts may continue into the new school year. This allows the school food administration to work with individual families to establish longer repayment plans and to continue pursuing collection efforts when children change schools within the district or move to a new school outside the district. When local officials determine further collection efforts for delinquent debt are useless or too costly, the debt must be reclassified as “bad debt.”
