STAFF HEALTH

The Board may require an employee returning from a leave for health reasons to submit a certification of health from a physician. The employee will not be permitted to return to work if the physical condition would be a hindrance in the performance of assigned duties.

Employees who are injured while acting in the scope of their employment shall report this injury within three working days to the school business office and shall receive such compensation and expenses as are prescribed by the worker's compensation law of South Dakota. Such compensation shall be supplemented with an amount sufficient to maintain the employee's regular salary for a period not to exceed the accumulated sick leave reserve.
