**Word of the Week: Infer** Read between the lines; the answer is not in the passage. The reader derives meaning from information or clues the author provides. It is an educated guess like a hypothesis in science. Ask the following questions to check for inferential comprehension:

- How did this person or writer feel?
- What do you think the next step will be?
- How does this event affect your life today?

“For the month of March, the Character Trait of the Month is HONESTY. Honesty can be defined as speaking and acting truthfully. Not only can you demonstrate honesty by telling the truth, but doing the right thing and acting the right way... Even when you think no one is watching.”
