After School Program

If your student has a failing grade, or is frequently missing assignments, **contact his/her teacher** with your concerns.

The teacher *may* decide to sign your student up for *one day* at the After School Program. The parent and teacher will then make arrangements for the student to attend.

For more information, please contact:
karmen.johnson@k12.sd.us
stacey.ross@k12.sd.us

- **Tuesdays and Thursdays**
- After school until **5:00pm**
(arrangements can be made for earlier pickup)
- In room **B105**
- If you pick your student up from the program, please meet your child at the **front office doors.**

This program is intended to provide extra help getting caught up, so we do not sign up students for every Tuesday and Thursday. Students will only get a one day appointment.
