VISITORS TO THE SCHOOLS

The Board and staff of the School District welcome members of the community and other interested persons to visit the District schools.

All visitors must report to the school office and receive the principal's permission to be on the school grounds. Any person on school property who has not registered with the school office will be requested to report to the principal's office for permission to remain. Any visitor on school property for any purpose deemed by the school principal or designee to be disruptive of the educational process will be denied permission to remain.

If a visitor refuses to leave the school grounds, creates any disturbance, or attempts to disrupt the educational process, the principal may request aid from law enforcement.
