Title VI is part of the Civil Rights Act of 1964 that indicates that no person in the United States shall be subject to discrimination under any program or activity receiving Federal financial assistance.

Title IX is part of the Education Amendments of 1972 which is designed to eliminate (with exception) discrimination on the basis of sex in any educational program or activity receiving Federal financial assistance.

Title X, Part C is part of the McKinney-Vento Homeless Education Assistance Improvements Act of 2001 which is designed to eliminate discrimination on the basis of homelessness in any educational program or activity receiving Federal financial assistance.

Section 504 states that no qualified individual with a disability in the United States shall be excluded from, denied the benefits of, or be subjected to discrimination under any program or activity that receives Federal financial assistance.

ADA, Title II is part of the Americans with Disabilities Act of 1990 which is designed to enforce equal opportunity access to programs, services, and activities through specific architectural standards to avoid discrimination.

Age Discrimination in Employment Act of 1967 is designed to prohibit age discrimination in employment.

Accessibility Contingency Plan

In the case of an emergency, Meade School District staff will be assigned to assist students with a disability to ensure that they are able to get to safety and be with their class at the appropriately assigned area. In order to facilitate participation, accommodations will be made on an individual basis. Each disability is unique; the reasonable accommodations principal should be applied on a case by case basis for both students and staff. The 504 Coordinator will work with Meade staff to coordinate who may need additional assistance in the case of an emergency. The ADA Coordinator may refer issues regarding accessibility and accommodations for students to the student services department. If further information is needed, please contact Deb Wilburn-Kerstiens, 504 Coordinator, at 605-347-4770 or Brett Burditt, ADA Coordinator, at 605-347-2523.

The principal is responsible for securing, assigning, and evaluating substitute teachers.

All persons employed as substitute teachers in Meade 46-1 schools shall participate in a conference with one of the district principals or their designees for the purpose of reviewing the *Handbook for Substitute Teachers*.

Assignment Calls

Assignments will be made through the office of the principal of each administrative unit or through the principal's designee.

Appropriate Dress for Substitute Teachers

As a district substitute, you are expected to dress as professionally as your teacher counterpart. Your image should communicate workplace ethics. No visible body or face piercing are allowed. Jeans are worn only on designated days.

Any questions regarding appropriate dress are to be discussed directly with the principal at the designated school site.

Responsibility

Substitute teachers are expected to assume responsibility for the same duties assigned to regular classroom teachers. These responsibilities may include hall duty, lunch duty, playground supervision, bus duty, etc.

Substitute teachers are as legally responsible as the regular teachers for students, equipment, and materials assigned to their care.

Compensation

Substitute teachers assigned to less than a full day will be paid per class period. In order to receive compensation, substitute teachers must sign a district voucher at each school where they teach during a given month. School secretaries retain the voucher in their offices for each month, record each occurrence of substitute work on it, and submit it to the business office at the end of the month. The substitute teachers should maintain their own calendars for verification purposes. Pay periods end on the last day of each month; consequently, payment will be made on the 21st day of the month after service.

School Day

Substitute teachers will observe the hours specified for regular teachers. Hours for respective administrative units are as follows:

Rural Elementary Schools	Contact individual school	
Whitewood Elementary School	8:00 – 2:45	269-2264
Piedmont Valley Elementary	7:40 – 2:25	787-5295
Sturgis Elementary	8:05 – 3:05	347-2386
Sturgis Williams Middle School	8:10 – 3:15	347-5232
Sturgis Brown High School	8:05 – 3:08	347-2686

**It is strongly recommended that the substitute teacher verify the time he/she is to report with the principal's office. Elementary grades may stagger start and release times to reduce congestion.

Reporting To An Assignment

Upon arriving at the school assigned, the substitute teacher should report immediately to the principal's office to receive information about:

1. The teaching assignment, location of classrooms and workrooms, keys, etc.
2. The daily schedule and any unusual activities which may affect it
3. Fire and safety regulations
4. Procedures for handling emergencies
5. Methods of reporting student attendance

In schools where the principal is not present, arrangements will be made to provide the necessary information.

Classroom Management

Following are some "do's" and "don'ts" regarding classroom management.

1. Report in time to become familiar with the physical arrangements and to locate lesson plans, seating charts, and instructional materials.
2. Introduce yourself to the students. Write your name on the blackboard for student reference. Require that students address you as Miss, Ms., Mr., or Mrs.
3. Keep accurate records of daily attendance, tardies, transfers, and withdrawals. Record lost and found money and articles and the names of students involved.
4. Follow the plan prepared by the regular teacher insofar as possible. If you are unable to do so, contact the principal, or designee, who will direct you as to the proper procedure.
5. Require students to observe standard rules of conduct. Do not allow students to be discourteous, use profanity, or behave in any way that disrupts the orderly conduct of learning.

Refer disruptive students to the principal's office. Under no circumstances are substitutes permitted to use corporal punishment or physical contact in any form as a means of disciplining a student.

However, a substitute teacher may use physical restraint when, in his/her professional judgment, the physical restraint is necessary to prevent a student from doing harm to others or to himself/herself. When so employed, physical restraint shall not be considered a form of corporal punishment.

6. Supervise students at all times. Under no circumstances dismiss students or allow them to leave the school grounds during school hours except with written or oral permission from the principal's office (administration or staff).
7. Do not allow anyone, including parents, to interview students or take them out of

class except with written or oral permission from the principal's office (administration or staff).

8. If an accident occurs, contact the school office immediately. If a student becomes ill, refer the student to the school office. Require one or two other students to accompany an ill student to the office.
9. Do not divulge information in the teacher's grade book to anyone.
10. Do not send notes or make telephone calls to parents of students without approval from the principal.

Completing an Assignment

Upon completing an assignment, complete the Substitute Teacher's Report form. Copies of the forms for elementary schools and for secondary schools are included in this handbook. Please use them as your master copies.

Inform the regular teacher of any unusual situations, incidents, or problems. Include positive observations whenever you can. When possible, check seatwork or other student work.

Before you leave, complete all preparations for the next day, with all books, supplies, materials, and equipment in order.

Report to the principal's office to return keys and other materials and to ascertain if you are to return the following day.

Appraisal

Upon returning to the classroom, the regular teacher will complete a form appraising the work of the substitute teacher and will submit the appraisal to the principal. A copy of the appraisal form is included in this handbook.

Thank You

We are grateful for your willingness to accept the responsibilities of substitute teaching. We assure you that we will do all that we can to help you.

USE OF ALCOHOL AND OTHER DRUGS BY EMPLOYEES
(DRUG-FREE WORKPLACE POLICY)

The District prohibits the unlawful manufacturing, distributing, selling, dispensing, possessing, using, or being under the influence of alcohol and/or other drugs in the workplace.

Any employee who violates this policy will be subject to disciplinary action which may include dismissal and referral for prosecution. It shall be a condition of employment in the District that each employee must abide by the terms of this policy and shall notify the Superintendent of any criminal alcohol and/or drug statute conviction for any alcohol and/or drug violation no later than five (5) days after conviction. Within thirty (30) days after receipt of such notification, one of the following actions shall be taken:

- a) Appropriate personnel actions, including possible suspension or termination.
- b) Requiring the employee to participate satisfactorily in an alcohol and/or other drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency. An employee who requests assistance shall be provided a listing of the regional treatment facilities or agencies to assist him/her in their choice of a service provider.
- c) Possible referral for prosecution.

A copy of this policy will be provided to each new employee and will be incorporated into all employee handbooks.

All convictions of employees for violating any criminal drug statutes shall be reported to the federal agencies that provide grants to the District, as required by law.

When an on-duty staff member has consumed alcohol off school property and/or before a school activity, the staff member will not be allowed on school property or to participate in school activities. Staff members who violate this regulation will be subject to the same disciplinary sanctions as for possession or consumption on school property.

Reasonable Suspicion

A. The District may request an employee to undergo drug and alcohol testing if there is a

reasonable suspicion that the employee is under the influence of, or has drugs or alcohol in his or her system during work hours. There shall be no random testing. Circumstances which constitute a basis for determining a reasonable suspicion may include, but are not limited to:

1. A pattern of abnormal or erratic behavior which is so unusual that it warrants summoning a supervisor, department head, or someone else for assistance.
2. Information provided by a reliable and credible source with personal knowledge.
3. Direct observation of drug or alcohol use.
4. Presence of the physical symptoms of drug or alcohol use, i.e., glassy or bloodshot eyes, alcohol odor on breath, slurred speech, poor coordination and/or reflexes.
5. The possession of substances in violation of the District's drug and alcohol policy.

B. The employee may be asked to submit to blood and urine testing by a qualified medical physician or hospital at District's expense and on District's time. A group representative may be present during the discussion if the employee so requests. Prior to testing, the administrator or supervisor shall secure a signed release statement from the employee to have the hospital/physician release medical information to the District.

The employee who refuses to consent to a drug and alcohol test when reasonable suspicion of drug or alcohol use has been identified may be subject to disciplinary action based upon the facts and circumstances that led to the reasonable suspicion.

C. A positive result from the drug and/or alcohol analysis may result in disciplinary action. The District retains the right to discipline and terminate from employment any employee testing positive for drug/alcohol use, without first having to offer that employee an opportunity for treatment or rehabilitation.

D. Supervisors are required to detail in writing the specific facts, symptoms or observations which form the basis for their determination that a reasonable suspicion existed to warrant the testing of an employee.

Testing Procedures

Drug/alcohol testing will be done within two hours or as soon as possible following request for testing.

Massa-Berry Clinic has been selected to provide drug/alcohol testing. The selection of a single laboratory will insure one standard chain of custody procedure and consistency of processing throughout the District. The District may use its discretion to select an alternate laboratory if it feels Massa-Berry Clinic cannot meet the requirements of the testing.

The administrator, supervisor, or school liaison officer will escort the employee to the Massa-Berry Clinic or alternate facility for testing. If after testing the employee is deemed unfit to continue working, he/she will be suspended pending further investigation and the results of the drug/alcohol testing.

The results of such testing shall be given to the Office of the Superintendent. The

Superintendent and the administrator or supervisor will meet with the employee to discuss the situation, test results, and future actions.

Nothing contained herein shall prohibit the District from requiring an employee to submit to a portable breath test and/or a blood test in the case of suspected alcohol use.

The employee may request that re-testing be done at a facility of his/her own choosing. Such re-testing must be done on the same sample as was originally tested and at the employee's own expense.

Any attempt to falsify test samples or results shall be grounds for immediate dismissal.

Confidentiality

Information obtained on individuals as part of the drug screening test or pursuant to this policy will be disclosed only to those persons having legitimate need for it. Medical records pertaining to drug or alcohol use are confidential, and access to such records shall be in accordance with the District policy. Medical records are not kept in the personnel file.

SEXUAL HARASSMENT

- I. It is the policy of Meade School District 46-1 to maintain a learning and working environment that is free from sexual harassment. It shall be a violation of this policy for any member of the Meade 46-1 staff to harass another staff member or student through conduct or communication of a sexual nature as defined in Section II. It shall also be a violation of this policy for students to harass other students through conduct or communications of a sexual nature as defined in Section II.
- II. Sexual harassment shall consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical contact of a sexual nature when made by a member of the school staff to a student, a member of the school staff to another staff member, a student to another student, or a student to a staff member. Such behavior constitutes sexual harassment when any of the following statements apply:
 - a. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education;
 - b. Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual;
 - c. Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile, or offensive employment or educational environment.
- III. Sexual harassment, as set forth in Section II, may include, but is not limited to, the following:

 - b. Pressure for sexual activity
 - c. Repeated remarks to a person with sexual or demeaning implications

In the event that the complaint is filed directly with the immediate supervisor or building principal, the immediate supervisor or building principal shall conduct a timely investigation into the matter and shall report the results of the investigation to the Superintendent. Any subsequent action taken shall be consistent with the results of the investigation and with Section V of this policy should the charges be substantiated. Filing of a Title IX grievance or otherwise reporting sexual

harassment will not reflect upon the individual's status nor will it affect future employment, grades, or work assignments. The right of confidentiality, both of the complainant and of the accused, will be respected, consistent with the District's legal obligations and with the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred.

- V. A substantiated charge against a staff member in the District shall subject such staff member to disciplinary action, up to and including discharge. A substantiated charge against a student in the District shall subject that student to disciplinary procedures.
- VI. This policy will be reviewed on an annual basis with all employees and students in each administrative unit and incorporated into teacher and student handbooks. If the coordinator or the Superintendent fails to reply within the specified time limits, the grievance shall automatically advance to the next Level.

- 3) The grievant has the right to be represented at his/her expense by knowledgeable persons, organizations, or groups of his/her selection at any point during the initiation, filing, or processing of the grievance. The coordinator shall provide help in identifying such knowledgeable persons or groups.

- 4) The District shall provide assistance to the grievant, including access to copies of the regulations, related guidelines, memoranda, and other relevant materials supplied to the District by the Federal government, and access to public grievance records. In addition, the coordinator and designated representatives shall provide consultation and assistance in the interpretation of such information and the use of the grievance procedure.

- 5) The grievant and the District shall jointly determine whether any grievance hearing or other grievance procedure shall be open to the public or open only to participants.

- 6) No person shall be subject to discharge, suspension, discipline, harassment, or any form of discrimination for having utilized or having assisted others in the utilization of this grievance procedure.

- 7) It should be understood that a complaint can be made to the Office for Civil Rights without following the District's grievance procedure, but the grievance procedure provides a method for getting a prompt and equitable resolution of a complaint.
