Regularly employed certificated personnel shall include only those employees who are required to hold a valid teacher certificate issued by the State of South Dakota Department of Education for the position in which they are employed.

- 1.2 The Board agrees not to negotiate with any other employees' organization, individual employee, or group of employees with regard to negotiable items as defined in Article VIII, Section I, unless otherwise provided for in this Agreement or unless mutually agreed to by the parties during the term of this Agreement. No consultation with employees shall occur to circumvent the authority of the Association.
- 1.3 Pursuant to SDCL 3-18-2 this recognition shall be continuous until questioned by the Board, labor or employee organization or employees. Any challenge to recognition must be processed pursuant to the provisions of SDCL 3-18-5.

ARTICLE 2
EMPLOYEE AND ASSOCIATION RIGHTS

- 2.1 Employee Discipline - Rules and regulations governing employee conduct shall be reasonable and enforcement of employee discipline shall be fair and exercised for a just cause.
- 2.2 Right of Representation - When an employee is required to appear before the Board or the administration concerning matters which will adversely affect the employee's employment, the employee's position, or the employee's salary, the employee shall be entitled to have a representative of the Association present.
- 2.3 Personnel File - Each employee shall have the right, upon request, to review the contents of said employee's personnel file and to place therein written reactions to any of its contents. Employees will be provided a copy of any document added to their personnel file which is confidential personal information, disciplinary in nature, or is to be used for employee evaluation, and will sign an acknowledgment that the document is being added to their file (but not that the employee agrees or disagrees with the contents of the document). If the employee refuses to sign the acknowledgment, his or her supervisor will so note on the document, and will place the document with notation in the personnel file. The employee shall have the right to make copies of any item in the file and to be accompanied by a representative of the Association during the review of the file.
- 2.4 Compiled Law Rights - Whenever any rights or benefits accorded employees under the Compiled Laws of the State of South Dakota or under other laws and regulations exceed the benefits accorded employees elsewhere in this Agreement, then such rights and benefits shall be incorporated into and become a part of this Agreement, except that State laws may not be the subject of a grievance, but violation of such would not preclude other legal action.
- 2.5 School Disturbance - When in the judgment of the teacher the continued presence of a parent or other citizen in the teacher's classroom would create a serious distraction or a disruption of the educational process, the teacher shall report the situation to the principal or superintendent. Upon consultation with the parent or citizen, a determination will be made by the principal or superintendent as to the appropriateness of the continued presence in the classroom. The decision of the principal or superintendent will be final but will not preclude legal action by the employee against the parent or other citizen.

South Dakota law makes it a Class 2 misdemeanor to intentionally disrupt the educational process through boisterous conduct, acts of violence, or threatening language or to prevent a teacher or student to perform their duties. (SDCL 13-32-6)

- 2.6 Use of District Copier - The Association shall be allowed use of the district copier system to conduct Association business. The Association will provide all needed paper.

- 3.1 Contract Year - The contract year for certified staff shall be 179 days, except for rural certified staff which is 150 days.
- 3.2 Workday - The workday shall not exceed seven and a half (7.5) hours. If an alternate calendar exists for the rural attendance centers, contract time will be similar for all certified staff in the district. Hours per day and number of days may vary but overall hours will remain the same. The school board will continue to set the amount of contact time for all facilities and grade levels. Principals shall have the right to assign a work schedule with a total of not less than one (1) hour preparation time not including recess per day or five (5) hours per week. Any duty time, including lunch duty, shall be considered part of the seven and a half (7.5) hours. Teachers who elect to perform lunch duty beyond the seven and a half (7.5) hour day shall be paid on the same wage scale as comparable support staff employees.

There will be no more than four (4) evening parent-teacher conferences for each school during the school year. Such conferences may not total more than three (3) hours per evening unless mutually agreed to by MEA and the Board.

Faculty meetings that go beyond the normal teacher contract day will not comprise more than eighteen (18) per school year. Such faculty meetings shall neither begin earlier than one (1) hour before the teacher's workday nor end later than one (1) hour following the teacher's workday. Meeting may involve the entire faculty of the district, a school or a specific department.

- 3.3 Notification and Assignment - All employees shall be given individual written notice of their tentative assignment for the following school year by May 1 of the current school year. Assignments will include location and subject area and/or grade level as defined by the employee's current teaching certificate. In the event changes in such assignments are proposed, the employee shall be notified promptly and consulted.

If the change in assignment is implemented after August 1, a \$200 payment will be provided and the teacher may apply for additional reimbursement for expenses incurred so that the total payment will not exceed \$500.

When the teacher feels the assignment is inappropriate, he/she may communicate the concern to the Board in writing; however, the Board's decision will be final.

- 3.4 Vacancies and Transfers

- A. Vacancies – All vacancies or new positions will be posted on the District website. Such postings will include grade, subject, building, and qualifications. Current employees may apply for any listed vacancy.
- B. Involuntary Transfer - If a transfer is deemed necessary by the Board during the term of the employee's current contract, the employee or employees affected shall be given written notice of their transfer and the employees so affected shall have an opportunity to consult with the Board prior to any transfer being completed; provided, however, that the decision of the Board shall be final in this regard.

- 3.5 Professional Development –Tuition Reimbursement

The School Board, upon recommendation of the Superintendent, may grant financial assistance to staff members desiring further training or study to become certified and/or qualified in an area in which the district has need.

To be eligible for such assistance, the staff member shall have completed at least three (3) years of successful service to the district as evidenced by their annual performance evaluations.

The staff member, if approved, will receive the actual credit hour cost up to but not to exceed \$120.00 per credit hour for up to 30 credit hours. Reimbursement payment will be made upon the staff member's display of an official transcript demonstrating successful completion of the approved credit hours of study at a grade of B or better.

To be considered for such assistance, the staff member shall submit a plan fully outlining the program of study to be undertaken and evidence that such program of study will meet the needs of the district and any certification requirements established by the State of South Dakota. A written recommendation of the immediate supervisor shall be attached to this plan along with copies of the three most recent performance evaluations. The plan shall be submitted to the Superintendent's Office no later than March 1st of each year for the following fiscal year. The Superintendent may waive the deadline if, in his/her judgment, it would be in the best interest of the district and the teacher to do so.

An amount sufficient to provide for reimbursement of all approved plans shall be budgeted each fiscal year but in no case shall the aggregate total amount exceed \$10,000.

An employee receiving the benefits under this provision shall agree to remain in service to the school district for one (1) year if the benefit was for 1 to 10 credit hours, two (2) years if the benefit was for 11 to 20 credit hours, and three (3) years if the benefit was for more than 20 credit hours. The period of time for obligatory service shall begin in the year following the completion of the approved program of study.

Failure to complete the planned program of study or the required term of service shall result in the repayment of the financial benefit in full, by payroll deduction or by refund.

Article 4 EVALUATIONS

Starting in the 2015-16 school year Article 4 of the negotiated agreement (evaluations) will be eliminated. The evaluation instrument and guidelines will follow SD Administrative Rule and SD Codified Law. New evaluation instrument and guidelines will be part of school board policy (GCNA*) Any future changes in board policy regarding evaluations will reflect changes in codified law or administrative rule and will be reviewed by a committee of administrators and teachers with recommendations to the board.

4.1 Evaluation Instrument (GCNA*)

Counselors and librarians shall be done using the appropriate version of Form B.

4.2 Evaluation of Athletic Coaches

Evaluations of athletic coaches, assistant coaches and advisers of extra duty assignments shall be done using the appropriate versions of Form A.

4.3 Plan of Assistance

A teacher improvement process implemented under the direction of the principal or supervisor and based upon a deficiency or deficiencies in the teaching performance standards as observed by the principal or supervisor (Form I).

4.4 Employment Recommendation

All teachers shall receive written notice from their evaluators by April 15 of each year indicating the evaluator's employment recommendation. This notice shall indicate one of the following three recommendations.

- A. Recommended for continued employment.
- B. Recommended for continued employment with qualifications. A plan of Assistance must be attached.
- C. Not recommended for continued employment. All previous Plans of Assistance must be attached.

**ARTICLE 5
SALARY PROVISIONS**

- 5.1 Salary Structure - Base pay, defined as the salary of a teacher with no prior teaching experience and a Bachelor's degree with fewer than 12 semester (12) hours of graduate credit, shall be established annually by the School Board. The base pay for the 2019-20 contract year shall be \$40,575.00.

For the 2019-20 school year, returning teachers will receive a 2.5% increase in salary minus applicable deduction(s) based on full-time equivalency. Staff members, who are less than 1.0 FTE, will receive a prorated increase.

Base pay, defined as the salary of a teacher with no prior teaching experience and a Bachelor's degree with fewer than 12 semester (12) hours of graduate credit, shall be established annually by the School Board.

For teachers with no previous teaching experience, the salary will be base pay plus the appropriate cumulative differential for the number of graduate semester hours successfully completed.

A teacher entering the school district with previous teaching may bring eighteen (18) years of teaching experience into the district. The superintendent will use a salary/hiring schedule which includes the salaries, years of experience and educational levels of all existing district employees. Teachers entering the district will be paid in alignment with current employees with similar experience and education levels.

If it is in the best interest of the district, the superintendent has the discretion in placing a new teacher within the hiring structure using criteria other than years of experience and educational differentials.

Any vacancy that remains unfilled after July 1st, or any position that is vacated after July 1st, the Board may offer a one-time signing bonus, not to exceed \$2,000, to the successful candidate as an incentive to accept the contract offer. (Note: The signing bonus is a one-time payment and would not be repeated for the same employee in extension of this contract if a new contract is not ratified.)

- 5.2 Full Experience – In accordance with the limitations dictated in 5.1 above, a teacher entering the District shall be given full credit in the salary structure for previous teaching experience provided the following conditions are met:

- A. The experience to be credited was gained in a school having comparable South Dakota or other state's accreditation status.
- B. At least a total of one year of experience must have occurred within the previous five years.
- C. The nature of the previous teaching experience is similar to the assignment in the Meade School District.

- 5.3 Payroll Procedures - Paydays will be on the 21st day of each month. If the 21st falls on a day when school is not in session, the payday will be on the last day school is in session prior to the 21st. In the event that certain deductions are to be made from the last check, the disputed portion of that check will be frozen in the form of a separate check until the following Board meeting when such deductions may be authorized. All checks will be deposited directly in the financial institution of each employee's choice.

- 5.4 Pay Options - Teachers will receive their contract pay over a 12-month period. Any teacher who is retiring from the teaching profession at the end of the school year and is eligible to draw benefits from the South Dakota Retirement System may request in writing that the June, July and August salary payments be included with the May payment. Teachers may request to have South Dakota Education Association dues deducted from their paychecks.
- 5.5 Supplemental Job - The supplemental pay schedule shall be set forth in Appendix B, which is attached to and incorporated into this Agreement. All new employees who are assigned supplemental jobs will have a combined teaching and extra duty contract.

Those staff members who have a combined teaching and extra duty contract who wish to be released from a supplemental assignment but remain in the system as a teacher must notify the superintendent by March 1. After making efforts to find a replacement and not being able to fill the vacancy prior to May 1, the Board may issue a contract containing the extra duty assignment. The Board will continue to seek a replacement and if one is found prior to the start of the assignment, the contract will be amended to delete the assignment. If a replacement cannot be found, the staff member will be required to fulfill the contract but may make another request for release the following year.

- 5.6 Supplemental Job - Payroll Procedures - Supplemental pay shall be added to the employee's salary and shall be paid in the paycheck each pay period. If an employee does not fulfill the dates, his/her pay will be adjusted accordingly.
- 5.7 Building Heads - The line of authority used by the Board shall inform the teachers listed that their responsibilities are limited to informing the appropriate authorities (principal, superintendent, fire department, etc.) that help is needed.
- 5.8 Employee Benefits - The Board will provide a health insurance plan, with the following provisions:
- A. New employees beginning in 1998-99 will only have the option of the health insurance plan. The deferred compensation plan will no longer be available.
 - B. The Board will pay up to \$517 of the single premium for the health insurance plan.
 - C. Employees who elected the deferred compensation plan prior to 1998-99 and who wish to remain on this plan will receive \$1,624.00 annually. This amount will remain the same as long as such employees continue to elect this plan.
- No other employees will have the option of electing the deferred compensation plan.

A six-member committee composed of three members appointed by MEA, two members appointed by the Board, and one non-certificated employee appointed by the superintendent shall annually review and recommend changes in the plans and carriers of the benefit package. These recommendations will be made to the Board and the MEA.

For those employees who choose the deferred compensation plan, the benefit will be lowered by the amount of District contribution to Social Security, withholding and State Retirement. The employee's contribution to the State Retirement fund will then be calculated and withheld from the benefit. After these adjustments, and as of July 1, 2008, the balance of the funds shall be applied to the South Dakota Supplemental Retirement Program.

As of July 1, 2008, employees who have tax-sheltered annuities, or elect to begin

contributions to a tax-sheltered annuity, will only be offered the option of participating in the South Dakota Supplemental Retirement Plan for such purposes.

All those part-time employees hired prior to November 16, 1982, shall be granted the above benefits in full. Employees hired after November 16, 1982:

1. Shall have their benefits under this Article pro-rated equal to the fraction of a full-time contract in effect.
2. If a part-time employee's fraction of a full-time contract changes, the pro-ration of benefits shall change accordingly, but never exceed the full-time contract rate.

5.9 Travel Expenses - Employees will be reimbursed state rate for mileage and other travel-related expenses approved by the superintendent or his/her designee required in the performance of their duties as assigned by the administration.

5.10 Retirement Pay - An employee, upon final retirement from the teaching profession and who is eligible to draw benefits from the South Dakota Retirement System, shall receive as retirement pay one-half (1/2) of their unused sick leave times the certified substitute pay rate. The payment will be made on the regularly scheduled payroll in the July following the retirement to the South Dakota Retirement System Special Pay Plan. To be entitled to this retirement pay, an employee must have a minimum of ten (10) years in the Meade School District 46-1 system.

5.11 Pre-signing Contracts - All returning teachers' contracts shall be signed by the Board prior to issuance. All new teachers' contracts shall be signed at the next regular Board meeting following receipt.

5.12 Early Retirement - The provisions of the early retirement incentive will remain available until the start of the 2021-22 school year. The benefit will be made available to all employees who are eligible to participate and access to the benefit will be determined based on when the request was submitted. The starting fund balance for the retirement account will be \$1.5 million. The maximum retirement payout will be \$300,000 annually plus any additional carryover funds from the previous year. June 30, 2021 is the last available date to access the Early Retirement/Pension Account. Section 5.10: Retirement pay will not be eliminated with the proposed policy change but will be considered when figuring out total dollars available from the pension/retirement account. Payout for section 5.10 is included in the 1.5 million (\$300,000 annual allotment).

Any teacher who has completed ten years of service in Meade 46-1, and has attained or will attain at least the age of 55 as of December 31 of the year of retirement, may receive an early retirement benefit upon permanent severance of employment with the district. The benefit will be a lump sum payment of 70% of the average of the teacher's highest three (3) contracted salaries, exclusive of any extra duty pay, stipends, co-curricular contracts or hourly pay. The payment will be made on the regularly scheduled payroll in the July following the retirement to the South Dakota Retirement System Special Pay Plan. The maximum allowable benefit shall not exceed \$35,000.

A teacher being paid an early retirement incentive must have a break in service from the district for one year before seeking re-employment. A teacher who has retired from service with the Meade School District and has activated or plans to activate his/her earned retirement benefit with SDRS, will be considered a new employee upon any action by the Board to re-employ said teacher. The teacher will be placed

at base pay, but will retain his/her previous educational differential.

A teacher electing to take early retirement must notify the superintendent, in writing (no electronic versions accepted) during business hours, no earlier than June 26 and prior to March 1 of the year in which retirement will occur. Employees that retire after June 30, 2017 will no longer be allowed to remain on the group insurance plan. All current retirees that are on the plan will be allowed to remain on the plan, at their expense, until they reach the age of 65. The superintendent has the authority to waive the March 1 notification deadline.

In the event the teacher dies while all or a part of the early retirement benefit remains unpaid, such unpaid benefit will be paid to the beneficiary of the teacher, or to the estate. This Early Retirement Incentive program shall be reviewed by the School Board on an annual basis and shall be subject to negotiation by MEA and the School Board each year even if the master agreement has a term exceeding one year.

ARTICLE 6 LEAVES

Teachers requesting absence for those leaves requiring Board action must make application by March 1 of the year prior to the year during which they are on leave. Teachers returning from leave must confirm their return by March 1 of the year during which they are on leave. Failure to confirm the return shall be deemed to be a resignation. The Board may waive the March 1 deadline in an emergency. Upon request, Association viewpoints will be heard prior to granting leave.

All leaves must be approved by administration. Denial or approval will be at the discretion of administration and all decisions may not be grieved.

- 6.1 Sick Leave - Eight (8) days sick leave per year without deduction in pay and accumulative to one hundred (100) days. New employees, entering the district after July 1, 2014, are eligible to accumulate seventy-five (75) days of sick leave. This includes immediate family: spouse, children (step), father (step), mother (step), parents-in-law, brother, sister, grandparents and grandchildren. Any available sick leave may be used in the event of the death of the employee's spouse, children (step), parents (step), siblings (step), grandparents, and grandchildren. Up to three (3) days of available sick leave may be used in the event of the death of the employee's parent(s)-in-law, brother-in-law, sister-in-law, daughter-in-law, or son-in-law. The Board may request a physician's statement after the first fifteen (15) working days of sick leave and may request an additional statement every ten (10) working days thereafter. The Board reserves the right to require a second opinion from a physician of mutual consent, the cost of which will be borne by the Board.

Maternity/Paternity Leave - An employee may use up to six (6) weeks of sick leave for the birth and/or legal adoption of a child. The six (6) weeks shall begin at the time of the birth or placement of the child. Mothers who have undergone childbirth will be granted the first 5 days of the six (6) weeks of maternity/paternity leave with no reduction to their sick leave. If the birth or placement of the child occurs prior to the beginning of school, only that portion of the six (6) weeks which falls during the school year may be taken. If both mother and father are employees of the District, the combined maternity/paternity leave must be taken within the six (6) weeks period immediately following the birth or placement of the child. Grandparents may use up to three (3) days of sick leave to attend to the birth and/or legal adoption of a grandchild, and these days shall be taken within the six (6) weeks immediately following the birth and/or placement of the child.

A voluntary Sick Leave Bank will be established under the following conditions:

- A. Each participating employee contributes one (1) day of sick leave every other year. First-year teachers with the District may draw up to five (5) days of sick leave from the bank. Beginning with the second year of employment, qualifying teachers may draw up to thirty (30) sick leave days from the bank. Use of the sick leave bank is contingent upon named employee having used two (2) days more than all of his/her accumulated sick leave and personal leave as provided by Board policy. An individual employee may choose to donate up to two (2) sick leave days for use of a specific employee who has exhausted his/her allocation of days from the sick leave bank. The maximum number of additional days that such an employee may use is thirty (30).
- B. Teachers must join the Bank by September 15 of their first year of employment in the District. Teachers who do not sign up by the established deadline will not be given the opportunity to participate again. Similarly those who chose to opt out of the sick leave bank will not be given the opportunity to participate again.

- C. Administration of the program will be handled by the School District Business Office.
 - D. All requests for use of this Bank must be submitted in writing to the Superintendent, who will make the decision on the request.
 - E. Each employee enrolling in the Bank will donate one day of his/her sick leave to the Bank every other year. The number of days in the Bank may not exceed 500.
 - F. The Sick Leave Bank is intended to help cover additional days needed as defined by the approved sick leave policy under Section 6.1. Maternity leave does not qualify for the use of Sick Leave Bank unless there are complications accompanied by a doctor's note.
 - G. A person withdrawing from membership in the Bank will not be able to withdraw contributed days.
 - H. Persons withdrawing sick leave days from the Bank will not have to replace those days except as a regular contributing member of the Bank.
 - I. The Board (or Superintendent) may, at their discretion, request a doctor's report before granting approval for withdrawal of days from this Bank.
 - J. Approval to draw days from the Bank shall be given only for the school year in which the illness or disability causing the long-term absence began. Should it be necessary to request days from the Bank in a second school year for the same illness, the approval and qualification process as outlined in "A" above will begin again.
 - K. On or before September 1st of each year, the Business Office shall provide the Association president an accounting of the Sick Leave Bank. This accounting will include the balance from the previous year, days contributed, days used, and the current balance. (Note: Because the Sick Leave Bank is open to all employees of the district, it is understood that the accounting report will include aggregate data for all employees who have elected to participate and not just employees of the bargaining unit.)
- 6.2 Bereavement Leave - The employee may have up to two (2) days to attend to bereavement needs.
- 6.3 Personal Leave
- A. At times during the school year a teacher may have a need for personal leave days. The following shall be the procedure to qualify for and request personal leave.
 - B. The maximum of four (4) days may be allowed per year per teacher without a reduction in pay. One (1) additional day may be allowed, and that additional day shall be charged to the teacher's accumulated sick leave.
 - C. Should a teacher find it necessary to request personal leave for the day before or after a school holiday, during the first or last week of the first semester, or first week or last two weeks of the second semester, specific reasons must be given. The leave is subject to approval by the superintendent. Application for personal leave should be submitted three (3) full days prior to the date requested when possible.
 - D. The Teacher will request all leave through the District AESOP program. Employees will

be notified through the AESOP program when leave has been approved by the administration.

- 6.4 Unused Personal Days – On an annual basis, a teacher’s unused personal days will be rolled into his/her accumulated sick leave. As an alternative, a teacher may annually request reimbursement for unused personal days at the rate of \$60/day. Said request must be made by June 1 of the current school year.
- 6.5 Days of Leave Without Pay – Additional days may be granted at the discretion of the superintendent. Requests shall be submitted to the immediate supervisor prior to the absence. Days of leave without pay must be taken in full day increments. Payroll deduction for these days shall be determined by dividing the annual teaching salary by contract days.
- 6.6 Parental Leave of Absence - The Board shall grant requests for a parental leave of absence not to exceed one year when reasonable need exists. An employee who returns from parental leave shall be reinstated to the employee's former position or its equivalent, unless that teacher is the appropriate person to be involved in a Reduction in Force. Parental leave shall include leave for the purposes of child adoption and child rearing.
- 6.7 Leave of Absence - An unpaid leave of absence of up to two (2) years shall be granted by the Board to a teacher who wishes to pursue continuing education which will benefit the District. Eligibility for this leave shall be restricted to those teachers who have completed three (3) years of successful service to the District. (Appendix D)
- 6.8 Medical Leave of Absence - The Board may grant a medical leave of absence to an employee whose medical condition requires an extended period away from work. The initial length of such leave shall be no more than one (1) year but may be extended at the discretion of the Board.
- 6.9 Professional Leave - Employees may be allowed professional leave with no payroll deduction upon approval by the immediate supervisor for attendance at conventions, institutes, workshops, or other professional meetings related to the teacher's assignment or to enhance professional benefit to the District. Professional leave shall be applied forthrough the District’s AESOP program. The employee shall file a report on the activities of the meeting(s) with recommendations, if any, upon request from the principal or superintendent.

An employee asked to serve as consultant, judge or sports official, while school is in session, shall send a written request for release to the principal. He/she shall make a choice of whether or not he/she receives his/her regular salary or the gratuity for his/her services. If he/she chooses to accept regular salary, the gratuity shall be given to the School District and deposited in the General Fund.

Professional leave may not be used to accept a position at another educational institution when the duties interfere or coincide with a teacher’s contract obligations in the District.

- 6.10 Association Leave - The Association shall be allowed a maximum of eight (8) days of paid leave per year for its members to attend SDEA/NEA sponsored activities or MEA activities as approved by the superintendent.
- 6.11 Civic Duty - An employee serving as juror, subpoenaed witness, or elected or appointed official shall notify his/her immediate supervisor in writing of the nature and probable inclusive dates (beginning and ending) of the duty to be served. The employee shall make a choice of whether or not he/she receives his or her regular salary, or the compensation

for his/her services. If he/she chooses to accept his/her regular salary, the compensation shall be given to the District and deposited in the General Fund.

- 6.12 Military Leave – An employee that is called to active duty in the U.S. Armed Forces shall make a choice of whether or not he/she receives his or her regular salary or the compensation for his/her services. The employee is eligible to receive up to five (5) days of compensation from both the school district and the military per school year. After the five (5) days, if he/she chooses to accept his/her regular salary, the military compensation shall be given to the District and deposited in the General Fund.
- 6.13 Family and Medical Leave. The District will follow the provisions of the Family and Medical Leave Act of 1993 as follows:
- A. FMLA leave will be available for full-time teachers who have completed one year of service to the District.
 - B. FMLA leave is defined as unpaid leave for the employee's own illness, the birth and first-year care of a child, the adoption or foster-parent placement of a child, and the care of a child, spouse, or parent who has a serious health condition.
 - C. Teachers may use a maximum of 12 weeks of leave per year under the provisions of this Article, including sick leave and FMLA leave. A year consists of 365 days and begins the day FMLA leave commences.
 - D. Teachers must give at least 30 days notice before taking FMLA leave, if possible. Application for FMLA leave shall be made on Form L, and approval needs to be given by the superintendent.
 - E. The Board will continue to pay its portion of employee benefits as defined in Article 5.8 for the period of the FMLA leave. However, if the teacher resigns from his/her position without returning to work, the teacher must reimburse the District for these payments.
 - F. The Board or superintendent reserves the right to require health certification, at District expense, before the teacher returns to work. The Board or superintendent also may require a doctor's certificate to determine whether an illness of either the teacher or a family member is a "serious health condition" as defined by the Act.
 - G. When an employee's absence from duty qualifies as leave under the FMLA, that leave shall be deemed to be initiated, and applicable paid leaves shall be applied during such absence.
- 6.14 Teachers on Parental Leave of Absence (6.6), Leave of Absence (6.7), Medical Leave of Absence (6.8), or FMLA Leave (6.13) shall not lose their accumulated benefits. Such time will not count as time employed for purposes of SDCL 13-43- 6.3.
- 6.15 Medical Opinion - During the period of a leave of absence an illness or injury may develop for which the Board has concerns regarding the teacher's ability to perform the contracted duties. The Board may require a physician's opinion verifying the teacher's competence to return. The choice of the physician shall be mutually agreed upon; the cost of such examination will be borne by the Board.

ARTICLE 7 GRIEVANCE PROCEDURE

- 7.1 Definition - The word "grievance" as used in this Agreement shall mean a complaint by an employee, group of employees or the grievant based upon an alleged violation, misinterpretation or inequitable application of any existing agreements, contracts, policies, rules or regulations of Meade School District 46-1 as they apply to conditions of employment. A grievant is defined as anyone signing a grievance.
- 7.2 Immediate Supervisor - Whenever any employee or group of employees has a grievance, they shall meet informally with the immediate supervisor within thirty-five (35) days of the occurrence in an attempt to resolve the issue. If informal procedures do not resolve the matter, and if the grievant wishes to proceed, the grievant must submit a formal written statement of the grievance to the immediate supervisor of the grievant within ten (10) days after the informal meeting. The immediate supervisor shall set a meeting date as soon as possible, but in any event, no later than seven (7) days after the written grievance has been filed. Within seven (7) days after the meeting, the immediate supervisor shall serve a written disposition of the matter upon the party or parties involved.
- 7.3 Superintendent of Schools - If the grievance is not resolved by the immediate supervisor, the grievant may refer the grievance to the superintendent or the superintendent's official designee within seven (7) days of the immediate supervisor's written disposition of the grievance. The superintendent shall arrange with the grievant a meeting to take place as soon as possible, but not later than five (5) days of the filing of the grievance. Within five (5) days of the meeting, the grievant shall be provided with the superintendent's written response, including the reasons for the decision.
- 7.4 School Board - Within five (5) days after receipt of the above disposition the grievant may, if the grievance remains unsolved, appeal to the School Board. The Board shall hold a formal hearing no later than its next regularly scheduled meeting and serve a written disposition of the matter on the party or parties within five (5) days after the hearing. Should the grievant believe that it is necessary for the Board to hear the grievance prior to its next regularly scheduled meeting, the grievant may request that the Board hold a special meeting for this purpose; the President of the Board shall decide whether to honor this request.
- 7.5 Division of Labor and Management Relations - The grievant may, if the grievance remains unresolved after the Board hearing, within 20 days after the delivery of the Board's disposition, appeal in writing on forms prescribed by the Division; and the Division shall conduct a formal hearing and issue a binding order covering the points raised.
- 7.6 Time Limits - If the employees fail to file the grievance or appeal within the time limits established, the grievance shall be considered void. Once a grievance has been initiated, the time limits specified herein may be extended by mutual agreement of both parties.

In the event that a grievance is filed at such time that it cannot be processed through all steps of this procedure by the end of the school year, the time limit set forth herein shall be reduced by mutual agreement so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

- 7.7 Special Grievances - A grievance involving the actions of an administrator with District-wide responsibilities (such as Curriculum Coordinator or Director of Activities) is to be filed as provided in Section 7.2, and the administrator involved will be considered to be the

immediate supervisor for the purpose of processing the grievance. Class grievances involving more than one immediate supervisor may be initially filed with the superintendent as provided in Section 7.3.

- 7.8 Association Participation - Employee Represented - The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level. The Association will be notified whenever a formal written grievance is filed. No employee shall be required to discuss any grievance if the Association's representative is not present.
- 7.9 Association Participation - Employee Not Represented - When an employee is not represented by the Association, the Association shall reserve the right to have its representative present to state its views at any stage of the grievance procedure and shall receive copies of the decision.
- 7.10 Board - Administration Cooperation - The Board and administration shall cooperate with the Association in its investigation of any grievance.
- 7.11 No Reprisals Clause - No reprisals shall be taken by the Board or the administration against any employee because of the employee's participation in a grievance.
- 7.12 Released Time - Should the investigation or processing of any grievance require that an employee or an Association representative be released from their regular assignment, the employee or Association representative shall be released without loss of pay or benefits.
- 7.13 Filing of Materials - All records related to a grievance shall be filed separately from the personnel files of the employee.
- 7.14 Grievance Withdrawal - A grievance may be withdrawn at any level without establishing precedent.
- 7.15 Days Defined - "Days" as used in this Article shall mean working days.
- 7.16 Waiver of Steps - In the event the requested remedy is beyond the power of the immediate supervisor to grant, the grievance may be filed initially with the superintendent as provided in 7.3 of this Article. If the superintendent does not have the power to grant the requested remedy, the grievance may be filed initially with the Board as provided in 7.4 of this Article.
- 7.17 Discovery – The purpose of a grievance hearing is the full and fair presentation of the case by the grievant and the Superintendent to the School Board or Department of Labor (“DOL”) without surprise or presentation of previously un-disclosed materials. If a grievance is appealed to the School Board or DOL, the grievant/grievant’s representative and the superintendent/superintendent’s representative shall fully disclose to the other party at least three (3) working days prior to the School Board/DOL hearing all the materials to be presented.

ARTICLE 8
NEGOTIATIONS PROCEDURE

- 8.1 Pursuant to SDCL 3-18, the parties agree that their duly designated representatives shall negotiate in good faith with respect to rates of pay, wages, hours of employment, or other conditions of employment. Each party shall select its own representatives. Negotiations shall begin no earlier than January 1 and no later than April 15.
- 8.2 If agreement is not reached through negotiations, either party can declare to the other in writing that an impasse exists and call for mediation pursuant to SDCL 3- 18.1.
- 8.3 When an impasse has been declared, the Division of Labor and Management may be requested by the parties to appoint a mediator from its staff. If conciliation is selected by either party, the mediator shall meet as soon as possible with the parties or their representatives or both, either jointly or separately and shall take such steps as the mediator deems appropriate to persuade the parties to resolve their differences and effect a mutually acceptable agreement.
- 8.4 In the event mediation is unsuccessful, either party may request fact-finding pursuant to the provision of SDCL 60-10-2 and/or 60-10-3. Within five (5) days of receipt of the written report of the fact-finder, the parties shall meet to discuss implementation of the fact-finder's report.

ARTICLE 9
REDUCTION IN FORCE, LAYOFF, AND SENIORITY

- 9.1 Nothing contained in this Article shall be interpreted as limiting the Board's authority to determine the number of teaching positions in the School District. Should the Meade District Board deem it necessary to initiate a RIF, the following procedure will be followed:
- A. The situation confronting the District will be communicated to the Meade Education Association (MEA). The MEA may make alternative suggestions to the RIF. The Board shall consider and respond to all such suggestions. A period of no less than 21 days shall elapse from communication of a need for RIF and any RIF notices.
 - B. Teachers identified by the Board as potentially being RIF'ed may be offered the option of terminating their employment with the Meade School District 46- 1 and accepting a payment commensurate to the early retirement schedule (5.11 of this document). A person not yet 55 years of age would be eligible for the specified payment in this instance. The offering of this option shall rest solely with the Board.
 - C. In making staff reductions involving teachers in their fourth or subsequent year of employment in the District, the Board will follow the provisions of SDCL 13-43-6.4.
- 9.2 The School Board shall use the following criteria in determining which teacher or teachers are to be RIF'ed. The Staff Assessment Tool (Appendix F) shall be used to apply these criteria. It shall be the goal of the Board to retain the most effective teachers; those who perform at the highest level of proficiency and contribute most toward providing the highest quality of instruction to the students of the District.
- A. Certification
 - B. Education
 - C. Total Experience and In-district Experience
 - D. Formal Evaluation
 - E. Administrator Recommendation
- 9.3 Recall rights shall be extended to all continuing contract teachers who have been RIF'ed with the exception of those teachers who are currently on a plan of assistance or have been "on notice" within the last three (3) years. Such recall rights shall extend for a period of three years from the first day of the school year succeeding the year in which the teacher was given notice of RIF. Newly created or vacant positions shall be offered to all RIF'ed teachers in the reverse order of their RIF (that is, the last RIF'ed shall be the first to be offered future employment.)

The Board shall maintain a list of RIF'ed teachers and shall provide the MEA with an updated list upon request by the MEA. RIF'ed teachers shall be notified by certified mail of the offer of employment. The teacher shall have fourteen (14) calendar days after receipt of the letter to reply. In the event that a teacher shall refuse an offer of re-employment during the period of recall as specified above, that teacher shall be deemed to have requested his/her name to be removed from the recall list. It is the responsibility of the RIF'ed teacher to maintain a current address with the Board.

Any RIF'ed teacher may request that her/his name be removed from the recall list at any time.

New teachers will not be employed with the District until all RIF'ed teachers have been given an opportunity to accept a new or vacant position for which they are certified and qualified.

- 9.4 Teachers laid off by this policy shall not lose their accumulated benefits or positions in the salary structure. However, such time will not count as time employed for purposes of SDCL 13-43-6.3.

ARTICLE 10
EFFECT OF AGREEMENT

- 10.1 The District retains unto itself the powers and duties vested in it by the laws of the State of South Dakota and the United States. - 10.3 Savings Clause - Should any article, section or clause of this Agreement be declared illegal by a court of competent jurisdiction, then that article, section or clause shall be deleted from this Agreement to the extent it violates the law. If a successor agreement is not arrived at, the terms of this Agreement will remain in effect until a successor agreement is established and signed by both parties.
- 10.6 Salary Adjustment - In the event that a successor agreement has not been signed prior to one or more paydays in the year following the term of this Agreement, any increase in salary and in payment for extra duty work shall be paid to those entitled thereto by check as expeditiously as possible after a successor agreement has been signed. Such payment will be without interest on the sums so paid.
- 10.7 Copies of the Agreement - It shall be the responsibility of the Association to distribute copies of the MEA Negotiated Agreement to its members. As a courtesy, the Agreement will available on the District website: EMPLOYEE INFORMATION under the section HANDBOOKS.

 - B. Persons responsible for implementing emergency procedures.
 - C. Employee accountability to observe, and staff authority to impose, medical safeguards and practices needed for continuation of vital services.

Any such occurrence shall be referred to as a “Force Majeure.”

Accessibility Contingency Plan

In the case of an emergency, Meade School District staff will be assigned to assist students with a disability to ensure that they are able to get to safety and be with their class at the appropriately assigned area. In order to facilitate participation, accommodations will be made on an individual basis. Each disability is unique; the reasonable accommodations principal should be applied on a case by case basis for both students and staff. The 504 Coordinator will work with Meade staff to coordinate who may need additional assistance in the case of an emergency. The ADA Coordinator may refer issues regarding accessibility and accommodations for students to the student services department. If further information is needed, please contact Deb Wilburn, 504 Coordinator, at 605-347-4770 or Brett Burditt, ADA Coordinator, at 605-347-2523.

USE OF ALCOHOL AND OTHER DRUGS BY EMPLOYEES (DRUG-FREE WORKPLACE POLICY)

The District prohibits the unlawful manufacturing, distributing, selling, dispensing, possessing, using, or being under the influence of alcohol and/or other drugs in the workplace.

Any employee who violates this policy will be subject to disciplinary action which may include dismissal and referral for prosecution. It shall be a condition of employment in the District that each employee must abide by the terms of this policy and shall notify the Superintendent of any criminal alcohol and/or drug statute conviction for any alcohol and/or drug violation no later than five (5) days after conviction. Within thirty (30) days after receipt of such notification, one of the following actions shall be taken:

- a) Appropriate personnel actions, including possible suspension or termination.
- b) Requiring the employee to participate satisfactorily in an alcohol and/or other drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency. An employee who requests assistance shall be provided a listing of the regional treatment facilities or agencies to assist him/her in their choice of a service provider.
- c) Possible referral for prosecution.

A copy of this policy will be provided to each new employee. This policy will be reviewed annually with all employees in each administrative unit and will be incorporated into all employee handbooks.

All convictions of employees for violating any criminal drug statutes shall be reported to the federal agencies that provide grants to the District, as required by law.

When an on-duty staff member has consumed alcohol off school property and/or before a school activity, the staff member will not be allowed on school property or to participate in school activities. Staff members who violate this regulation will be subject to the same disciplinary sanctions as for possession or consumption on school property.

Reasonable Suspicion

A. The District may request an employee to undergo drug and alcohol testing if there is a reasonable suspicion that the employee is under the influence of, or has drugs or alcohol in his or her system during work hours. There shall be no random testing. Circumstances which constitute a basis for determining a reasonable suspicion may include, but are not limited to:

- 1. A pattern of abnormal or erratic behavior which is so unusual that it warrants summoning a supervisor, department head, or someone else for assistance.
- 2. Information provided by a reliable and credible source with personal knowledge.
- 3. Direct observation of drug or alcohol use.
- 4. Presence of the physical symptoms of drug or alcohol use, i.e., glassy or bloodshot eyes, alcohol odor on breath, slurred speech, poor coordination and/or reflexes.
- 5. The possession of substances in violation of the District's drug and alcohol policy.

B. The employee may be asked to submit to blood and urine testing by a qualified medical physician or hospital at District's expense and on District's time. A group representative may be present during the discussion if the employee so requests. Prior to testing, the administrator or supervisor shall secure a signed release statement from the employee to have the hospital/physician release medical information to the District.

The employee who refuses to consent to a drug and alcohol test when reasonable suspicion of drug or alcohol use has been identified may be subject to disciplinary action based upon the facts and circumstances that led to the reasonable suspicion.

C. A positive result from the drug and/or alcohol analysis may result in disciplinary action. The District retains the right to discipline and terminate from employment any employee testing positive for drug/alcohol use, without first having to offer that employee an opportunity for treatment or rehabilitation.

D. Supervisors are required to detail in writing the specific facts, symptoms or observations which form the basis for their determination that a reasonable suspicion existed to warrant the testing of an employee.

Testing Procedures

Drug/alcohol testing will be done within two hours or as soon as possible following request for testing.

Sturgis Regional Health has been selected to provide drug/alcohol testing. The selection of a single laboratory will insure one standard chain of custody procedure and consistency of processing throughout the District. The District may use its discretion to select an alternate laboratory if it feels Sturgis Regional Health cannot meet the requirements of the testing.

The administrator, supervisor, or school liaison officer will escort the employee to the Sturgis Regional Health or alternate facility for testing. If after testing the employee is deemed unfit to continue working, he/she will be suspended pending further investigation and the results of the drug/alcohol testing.

The results of such testing shall be given to the Office of the Superintendent. The Superintendent and the administrator or supervisor will meet with the employee to discuss the situation, test results, and future actions.

Nothing contained herein shall prohibit the District from requiring an employee to submit to a portable breath test and/or a blood test in the case of suspected alcohol use.

The employee may request that re-testing be done at a facility of his/her own choosing. Such re-testing must be done on the same sample as was originally tested and at the employee's own expense.

Any attempt to falsify test samples or results shall be grounds for immediate dismissal.

Confidentiality

Information obtained on individuals as part of the drug screening test or pursuant to this policy will be disclosed only to those persons having legitimate need for it. Medical records pertaining to drug or alcohol use are confidential, and access to such records shall be in accordance with the District policy. Medical records are not kept in the personnel file.
