Hello Parents,

This year we are partnering with SchoolStore.com which is a similar program to AmazonSmile in which a percentage of your everyday shopping at participating online stores will donate money to our school. SchoolStore is 100% online.

Scan the QR Code below, or go to schoolstore.net, to sign up using our school ID: 361792. It only takes a few minutes to register your student. You do not need to send emails to family or friends unless you would like to. Shop online with over 400 major merchants like Walmart, Kohl's, Best Buy, Disney, and more where we will earn a small percentage of purchases. You can use this for everyday online purchases which will help our school raise funds for essential tools our students and teachers need to succeed.

Thank you for your participation.
