Nature of Request:

For the 22/23 school year:

Prairie Sage Trail is a new road off of Ft. Meade Way, one mile north off of Pleasant Valley Rd. There is a mailbox turn out on Ft. Meade Way, of three mailboxes, at the bottom of Prairie Sage Trail. There will be three SWMS students living on this road, Briar & Asher Linn, plus an additional family. It would not be a consistent stop, only when the students are present in the morning or on the bus after school. Thank you for your consideration of this request!

Nature of Request: Timberwood Estates currently has a bus pickup for Elem, Middle & High School, but no drop off for High School. When I called Harlow bus co. I was told the drop off for High School is currently the corner of Deerview & McIntosh, or the corner of Elk Creek & Timberwood. Both these drop off locations are not safe options. The kids getting dropped off at McIntosh & Deerview it would be gravel road that is curvy, has hills & many blind spots. This would be about a 3mi walk for the kids & there's no sidewalks. Timberwood & Elk Creek is also not a safe option. This road has high traffic, with not only home owners, but with Semi's heavy eqmt going in & out through out the day. This road is also curvy with hills, blind spots & offers no sidewalks, this would be a 4mi walk for the kids. I'm requesting a High School bus to have the same drop off locations in Timberwood that the current bus has for the Elem & middle school kids.

Nature of Request:

My Request is for an after school  
Bus dropoff in Timberwood Park Estates.  
We have a pickup ~~man~~ But the dropoff  
is over 3 miles on McIntosh and Deerview.  
If you have traveled McIntosh you would  
never want a child of any age walking it.  
Thanks for taking the time to review
