Boys and Girls Basketball Players:

If you are looking to better your basketball skills this summer, the Sturgis Basketball Club will be sponsoring a 10,000 shot club and a 1000 minute ball handling club. You could win prizes, be recognized at halftime of a high school basketball game next season, and become a better basketball player.

How it works: You count and log your game-like shots and/or minutes of ball handling daily, starting now through September 15th. Each month you will be asked to submit how many shots you've taken or how many minutes of ball handling you've completed. By the end, have 10,000 game-like shot attempts and 1,000 minutes of ball handling. For more information and ways to log your shots/ minutes, join our google classroom. Class Code: ddf2gnd

If you have any questions contact Coach Dirksen at josie.dirksen@k12.sd.us

Please contact the school nurse at: natasha.geigle@k12.sd.us on how you would like your child's medications or inhalers sent home. Thanks!
