### Projects completed this month:

1. Irrigation ditch is completed and new culverts installed at the High School
2. New Led Lights are being installed at the Middle School
3. The new soccer fields are getting irrigation installed right now
4. The painting of the exterior of the High school has begun
5. Opal school is starting to get new flooring installed and the interior has been painted
6. Enning school has been repainted and new steps are being installed into the library
7. New fascia boards have been put up on the maintenance shop at the High school
8. The new lobby renovation is on track and they are starting to tape and texture the rooms this week
9. New central air systems have been installed at Atall, Union Center and Opal
10. The hand rails at Woodle field have been repainted red
11. 10 classrooms at the Middle school were repainted to match the rest of the new addition
12. New hand washing stations were installed at Whitewood and Sturgis Elementary
13. 85 work orders were completed during the month of June
14. Changing out old lights in the HS with more energy efficient ones from the remodel area
15. Blading the gravel roads at the HS and areas around the new soccer fields
