- 11/23-11/27: Thanksgiving Break, No school
- 12/4/20: Report cards go home

Principal's Corner

Dear Parents,

Parking Lot:

I think it's important to remind everyone of appropriate parking lot etiquette and rules. In order to make our school the safest place possible we need to be aware of the expectations before and after school in the parking lot. Before school it is okay to drive up to the curb and drop your child off. After school, however, please park your car and meet your child near the flag pole in front of the school, or he / she can walk with the cross walk monitor to your car. As long as we work together we can make sure that our school is as safe as possible.

Cold Weather:

It is very important to make sure your child is properly dressed for school each and every day. As the seasons turn colder it is sometimes hard to determine just how cold it is going to be on any given day. I am asking that you "play it safe" and make sure your child is dressed appropriately. If the temperature is above 0 degrees wind chill the expectation is that kids will go outside for recess. Please make proper accommodations for your child.

Veterans Day Program:

It is with regret and great disappointment that I let you know that we will NOT have a Veterans Day program this year. Being the son of a man who was my hero and is buried in the National Cemetery just outside of Sturgis I ALWAYS look forward to this great event. But, due to Covid 19 restrictions we will not have a Veterans Day Program this year. We will support Veterans Day education in our classrooms through academic assignments that will support increasing the knowledge of what our great and brave men and women of service have done for us. We ALL look forward to re-starting this program in November of 2021!

November Nurse News Letter

Heidi Komes, R.N. Julie Dobler, R.N. Natasha Geigle, R.N. Lyndee Fogelman, R.N.

No act of kindness, no matter how small, is ever wasted —

Aesop

The Delta Dental Mobile Program will be coming to Sturgis Elementary November 9th-13th, forms were already sent home. They provide dental exams, preventive services, cleanings, and cavity fillings at no charge for students who have not seen a local dentist in over 2 years or those who live more than 85 miles from the nearest dentist. If you are interested in having your child visit the Dental Mobile Program, please contact the school nurse office at 347-2610. Paperwork must be completed and given to the school nurse in order to schedule your child.

With the colder weather we find ourselves indoors with others increasing our risk of illness. Here are some things we all can do to help our immune system:

- * Healthy sleep--Minimum of 8 hours of uninterrupted sleep each night
- * Healthy eating-- Eat something from all the food groups each day. Minimize daily sugar intake. Drink 64 ounces of water each day.
- * Healthy washing-- Wash your hands with antibacterial soap before and after eating, after using the bathroom and after blowing your nose. Don't touch your face!
- * Healthy lifestyle-- Get your seasonal flu shot, exercise a little each day, laugh often!

RESULT: HEALTHY BODY!

School Board Policies

File: IICC

SCHOOL VOLUNTEERS

The Board encourages the use of volunteers to support instructional programs, extracurricular activities, and administrative functions.

A volunteer is a person who works on an occasional or regular basis at school sites or other educational facilities to support the efforts of professional personnel. Such an adult volunteer worker will serve in that capacity without compensation or employee benefits of any type, except for workers' compensation. Volunteers will work with students under the immediate supervision and direction of a certificated employee. Volunteers are expected to comply with all policies and administrative regulations of the District.

District Mission

"To Build Knowledge and Skills for Success Today and Tomorrow"

Our Vision:

"Meade School District will work in conjunction with its community to provide excellent academics and co-curricular activities that develop life-long learners and productive citizens."
